Why "Goal Setting" Conferences?

A few parents asked me why we do our first set of Parent - Teacher conferences so early and not during the 1st Trimester Report Card period, like most schools do. Several years ago, we switched to a "goal setting" conference at about the six-week mark of the school year for a number of reasons, including:

- 1) I want parents to know what we see as their child's academic levels as soon as possible, and six weeks is a good time frame for our teachers to ascertain those levels
- 2) Having a mutual Parent - Teacher goal setting conference promotes getting both parties on the same page to work on a student's areas of need and continue building their strengths

Mrs. Jennings update

Last week we announced to our Green Room families that Mrs. Jennings was going to be out for awhile related to a medical procedure. I'm pleased to report this week that Mrs. Jennings' surgery went very well, and she is well on her way to a speedy recovery! I'd also like to thank Mr. Arthur Soares for stepping in as Mrs. Jennings' sub while she gets better.

Welcome to new members of our Before/After School Care Program!

I'm pleased to introduce Alanna Fairbairn and Kelly Masters to our Before / After School Care team. Alanna is currently a student at William Jessup's Masters Degree program and Kelly is currently a student at Sierra College. They are joining Mr. Baldonade, Mrs. Houdesheldt and the rest of our Before / After School Care Team.

Children's House Openings

We still have a couple spots left in our Preschool. First come, first serve. If you have any interest or know someone that is, please feel free to contact Mr. B at brent@mmcharter.org.

Carpooling Opportunities:

At MMCA, we have families that come from all over the area. In that spirit, we like to promote carpooling. If you would like a carpooling opportunity posted in one of our future Flyers, please email our mmca@mmcharter.org account with a subject line of CARPOOL HELP.
