Reserved Parking Spot Reminder

I am sure EVERYONE has noticed the parking spot in front of the school with the RESERVED sign - do you know what it's for? This spot is reserved **EXCLUSIVELY** for the MMCA PTA Art Auction Winner who had the winning bid for the spot. This school year (August 2016 - June 2017), this parking spot is **EXCLUSIVELY** reserved for the **FRAUSTO** family, who had the winning bid at last year's Auction. So PLEASE, if you're not part of the Frausto Family, do not park in their reserved spot. The parking spot will again be going up for bid at this year's upcoming MMCA PTA Art Auction.

Sign-up for Parent-Teacher Conferences

March 13-15, 2017

You are invited to sign-up for your child's conference which will be held in the afternoon Monday, March 13th through Wednesday, March 15th. You will have online access to schedule their conferences starting Monday, February 27th through Thursday, March 9th.

How to schedule your child(ren)'s conference:

1. Go to this link: <https://www.canyoncreeksoftware.com/scheduler/ca/mariamontessori/index.cfm>
2. "Maria Montessori Charter Academy" and press "Go"
3. There will be a prompt for a school password; the password is: **mmca**
4. The next screen will ask you to "enter the student's ID" - we are NOT using student ID's. Instead, press the "**LOOKUP STUDENT ID**" button.
5. After pressing the "look up student ID" button, you will be prompted to enter your child's first name, last name, and birthdate and then press "**LOOKUP**".
6. After your child has been identified, the program will ask you to do two things:
 - a. Select the classroom you want to schedule the conference for (note: ALL of our classrooms are listed by color names, not teacher names); and
 - b. If you have multiple children that you want to schedule a conference for, it will give you the opportunity to look up the next child (this will give you the opportunity to see multiple classroom conference schedules listed next to each other, making it convenient for your scheduling)
7. The program will take you through a couple of self-explanatory calendar screens, and your conference will be scheduled.

If you are having issues with the software program, you have two alternatives to schedule your conference:

- a. You may come into the office to use one of our computers.
- b. You may call the office after 9:00am and they can assist you with scheduling.

Thanks!
