SPCA Donation Drive

Dear MMCA families,

The November theme of our school-wide Safe and Caring Schools program is about caring. The SPCA came to our school Thursday, November 2nd and did a Humane Education presentation for our student body. We learned about empathy and compassion for pets and people. We also learned all about what they do to help animals and how we can help! For the next week, MMCA students are participating in a donation drive for the SPCA. We look forward to your donations! Please see their wish list below for ideas!

Last Call - MMCA Board Elections

Each Fall MMCA seeks parents interested in taking an active role in the governance of the school by serving as a MMCA Board member. A Board member serves a two-year term which fulfills their family's annual 40-hour volunteer requirement.

The Board of Directors defines the mission of the school and clarifies its philosophy. In conjunction with the School Administrator, the Board establishes the financial, educational, and operational goals of MMCA and ensures that they are achieved annually. The Board may be involved in facility planning, review and approval of legal documents, annual operating budgets, and staffing decisions.

To apply, please click on the link below for an application or pick up a paper application in the school office. The deadline to apply is Monday, November 6, 2017. If you have further questions, please contact current Board member Julie Moeller at 4moellers@gmail.com or Principal Brent Boothby at brent@mmcharter.org.
