### A Message from the Manning Family:

To all our friends at MMCA,

Ryan and I would like to thank you for all the love and support that we have received since the untimely passing of Danielle. This has been the most difficult time of our lives but the compassion and concern demonstrated by all of you has given us great hope and comfort. Danielle is smiling down on all of us. Please hold your loved ones close and enjoy every moment you have together.

Thank you & God Bless

John and Ryan Manning

### Spirit Week Schedule!

It's a tradition @ MMCA that our last week of school is a "spirit week". This year's Spirit Week Schedule includes:

Monday, June 4th: Favorite Team (hats, jerseys, t-shirts, socks) or Star Wars Gear Day

Tuesday, June 5th: Class Color Day

Wednesday, June 6th: Weirdo Wednesday with crazy hair & socks day

Thursday, June 7th: Free Dress Day

Monday - Wednesday are otherwise still 'school uniform' days.

### Yearbooks

A very limited amount of yearbooks will go on sale Tuesday, June 5th for \$25. All pre-ordered yearbooks will be distributed to students on Tuesday afternoon, June 5th.

### FARA Update

Big THANK YOU's to Event Coordinator Mrs. Bass, our friends at 106.5 FM The End, the Sun City Lincoln Hills Bicycle Club, our teachers, parent volunteers and students for making our FARA Event a success! Kyle Bryant is once again leading a Nor Cal bike ride for FARA this weekend, and was interviewed by local Fox affiliate Channel 40 about FA and the event. Please click on this link if interested:

<http://fox40.com/2018/05/30/bike-ride-for-friedreichs-ataxia/>

### Lost and Found

PLEASE check out the lost and found! Even if you don't think you are missing anything. There are some nice coats and sweatshirts along with many water bottles some lunch bags and some jewelry (in office).

## **Student Medications**

Parents please pick up your child's medications on the last day of school. We do not store them over the summer. Also, please plan to have new medication-related paperwork filled out for the next school year by the first day of school.

## **Student State Standardized Testing is on-going!**

MMCA students will be finishing up state testing early next week. Depending on the classroom and grade level, students will be taking four to six tests at different times over the next four weeks. Attendance is **crucial** during testing weeks. Lots of sleep and high protein breakfasts are very helpful as well. Individual classrooms will be communicating with their parents about coordinating healthy snacks, etc. during their testing windows.

## **MMCA Summer Camp 2018**

Spots in MMCA's annual Summer Camp are filling up FAST - (3) weeks are already sold out, (3) weeks have four spots or less available, and the remaining (4) weeks all have less than (8) spots available. Interested? Check out our Summer Camp webpage: <http://www.mmcharter.org/summer-camp>. Questions? Email our Summer Camp Director Julie Cohodes at [jcohodes@mmcharter.org](mailto:jcohodes@mmcharter.org).
