PTA News

Last Friday, PTA hosted its last community event fundraiser for this school year. We had over 350 parents and children attend the event! Art was auctioned, raffle prizes were awarded, games were played, and pizza was eaten! We are still tallying numbers, but are confident that we made our fundraising goal! Thank you!

Also, a big thank you to our parent and teacher volunteers who made the event possible by securing donations and working the event. Thank you to our student council members who coordinated the field games with Mrs. Jennings. And, a final thank you to the PTA Executive Board for hosting another fun and successful event. It has been a pleasure working with you this school year!

Next week, we will celebrate Teacher Appreciation Week...websites had the dates listed differently. Therefore, our teachers and staff will have a couple of weeks of celebration. PTA, Mr. Boothby, and the School Board will provide some goodies for the teachers and staff, but PTA encourages students to be "extra appreciative" this upcoming week.

Lastly, upcoming events:

- Family Dining Out is Tuesday, May 16
- Last Pizza Lunch is Friday, May 19

Big Day of Giving Update

During yesterday's 24 hour "Big Day of Giving" Campaign for our Outdoor Classroom, MMCA Families generously donated over \$3200! We were also the recipients of a \$1000 prize challenge! On behalf of our Garden Committee, staff and students, we'd like to THANK YOU for your tremendous generosity!

SBAC Testing 3rd-8th Grade

Over the next several weeks, MMCA students will be doing state testing. Depending on the grade level, students will be taking four to six tests at different times over these three weeks. Attendance is crucial during testing weeks. Lots of sleep and high protein breakfasts are very helpful as well.
