#RIDEFORCLIMATE WITH UN-REDD AND THE CANNONDALE-DRAPAC PRO CYCLING TEAM

The UN-REDD Programme is partnering with the <2° Initiative and UNFCCC to put the spotlight on the role of forests as a key climate mitigation measure during COP23 in Bonn.

Delegates will also be able to ride a stationary bike to contribute towards a common goal of completing a virtual tour from Paris to Bonn.

A bike ride and photo opportunity will be led by the star-studded professional cycling team Cannondale-Drpac, which came second in the 2017 Tour de France.

AGENDA
