

LIBRARY BAGS

Cut one piece 36" x 18" (If your fabric is smaller, that is okay. Not all bags must be this big, but no larger please)

Fold in half to make an 18" x 18" square. Sew side seams with either a French seam, serged or zig zagged.

Fold over 15" hem at top- Sewn.

Cut out two handles 22" x 3.5".

Fold handles in half lengthwise and attach to hem. I add an X to the finished sewing of the handles for extra durability.

Deliver finished bags to the library or contact me.

We need LOTS and LOTS of these bags, so please help us spread the word. Many, many sincere thanks.
