Matthew 15:10-28

## Welcome to our fifth newsletter for Term 3

### Crumbs from the Table

We started our morning my naming a fun activity over the week and also a pet or favourite toy. The objective was to see how much the children understood about the behaviour of pets when a child would name one. We heard of pet cats, favourite soft toys, blankets and of course, puppies and pet dogs. We then listened to our reading from the book of Matthew, focusing on verses 26 and 27. To help us understand this and like the story, we used pet dogs as an example and we continued to discuss pet behaviour. The children shared what their pets would do or have seen other pets do when they spot food at home, out walking in the park or at the beach. Although it may not have been specially made for them, it does not keep them from enjoying it. Like the story, even though Jesus came first to the Jews, he loved us so much that he shared his love with all of us.

## Music

Susanna had us each write our friends names and their characteristics on sheets of paper. She used these, with the children's help to write our very own song! To the tune of 'Mary had a little lamb', we sang our special song, in the many different ways that songs can be sung! Afterwards, Susanna asked the children what they would do if a friend was sad or not their usual selves. The immediate response was to tell an adult, but we were very receptive to the suggestion of talking to the person first to find out how they are and showing them we care.

## Activities

In the little time we had left after our song, Maria made a special card for her friend, Tim and Jayden took up a crossword challenge on the board and Libby, Millie, Jasmine, Adelaide, Hemi, Charlie and Diana did some colouring in.
