

Pediplay Internship

At Pediplay, we believe in promoting independence and full participation in activities. We strive to extend this philosophy to those students who may be interested in an internship opportunity with us. To this end, we ask you to:

1. Review Pediplay's website, www.pediplayfamily.com
2. Review your personal goals for your internship
3. Create a proposal you will present to Pediplay personnel that will allow you to fulfill your goals within the mission and philosophy of Pediplay. Your proposal will serve as the outline for your internship so be very specific about the tasks you will perform and the days of the week you will perform those tasks.
4. Include in your proposal:
 - a. a description of what activities, programs, interactions you will engage in
 - b. who will be your target population; children, parents, caregivers, personnel
 - c. how your activities, programs, and interactions will benefit your target population in the short-term and in the long-term
 - d. how you will market your activities, programs, interactions to your target population
 - e. establish goals and objectives for your target population, will these be individual or class oriented
 - f. how will you evaluate your target population to see if they achieved your established goals and objectives
 - g. how will you evaluate the on-going effectiveness of your activities, programs, and interactions during and after the specific activity, program, or interaction. What criteria you will use to determine the need for changes or modifications within your activity, program or interaction.
 - h. how will you evaluate your performance, please create a self-assessment rubric
 - i. what additional education, training, etc you may need from licensed therapists in order to fully implement your activities, programs, and interactions
 - i. how you would like to receive this education- direct observation, hands on experience, video, textbook, etc
 - ii. when you would like to schedule these sessions
 - iii. which professionals you would like to schedule these sessions with (physical therapy, occupational therapy, speech therapy, developmental therapy, etc)
 - j. how you will fulfill your 350 hour requirement; direct interactions, education, training, marketing, research, etc. Please be specific in terms of days and hours you will be committing to this internship.

We look forward to hearing your proposal.
