LAW ENFORCEMENT
TORCH RUN
FOR SPECIAL OLYMPICS

SPECIAL OLYMPICS HURONIA & EMERGENCY RESPONDERS

Special Olympics helps individuals with intellectual disabilities overcome barriers through sports. Every day we empower athletes to challenge themselves and exceed their personal bests on the playing field and in life. For every Special Olympics champion, there is another who is waiting for the chance to win. YOU can help that person realize a wider world of talent and potential through the power and joy of sports.

Donate today and help us get one more athlete onto the playing field for a season.

This year's local Special Olympics Law Enforcement Torch Run will be held on:

September 8th 2016
