Dear []

This is in response to your letter of December 7, 1993. An investigation was initiated concerning Sea Life Park, Waimanalo, Hawaii. That investigation has been completed and we believe there have been violations of the Animal Welfare Act. A case has been prepared recommending legal action be taken against the facility, and has been forwarded to our staff in Hyattsville, Maryland for action.

We do appreciate your concern for the animals. If you have any questions concerning this matter, or the Animal Welfare Act, please feel free to contact this office. Our telephone number is (916) 551-1561.

Sincerely,

Homer E. Malaby, Jr., DVM
