Thank you for your application requesting a determination of eligibility for CASA OF MESA COUNTY for the child care contribution credit.

Based on the information provided, it appears that CASA OF MESA COUNTY qualifies for the purpose of the child care contribution credit. You must supply donors to the program with a completed DR 1317, Child Care Contribution Tax Credit Certification, referencing your Federal Employer Identification Number (FEIN).

If you make any changes to the above programs, or add additional programs to you organization, you will need to submit a new organization registration for review.

Any ruling contained in the letter is merely advisory based on the limited information provided. Any credit claimed on a Colorado income tax return is subject to audit verification.

If you have any further questions regarding this matter, please contact me at 303-205-8274

Sincerely
