Kind Words

“

Beautiful work! Blue Ridge did such a beautiful job on our wedding! We already loved our venue but wanted to add a touch more. Blue Ridge's rustic chandeliers were exactly what it needed.

Asif Khan · married 05/08

The entire Blue Ridge team take their role in making sure big events look great, sound pleasing, and run smoothly very seriously. Their attention to detail and follow up on questions from clients are praise worthy. Most importantly, they approach your entertainment and hostessing needs with the most refreshing "Can Do" attitudes. On the job, they work efficiently, quietly and confidently; allowing the client to feel certain the job will be done well! Joe runs a great company with great employees!

Elizabeth · married 02/22

Blue Ridge Event Production did an amazing job for my wedding at Pippin Hill Farm. Everyone I dealt with, especially Zach, was professional and helpful! We purchased four beautiful chandeliers to be hung, bistro lights, and they hung four wagon wheels and two ladders that were covered in flowers for us and they provided the sound for the ceremony and reception. The design for the layout of the wheels, ladders and lighting was perfect and the sound worked out great. I would highly recommend them to anyone to use as their vendor. Thank you folks for doing such a wonderful job for our special day, it was a pleasure working with you all!
