Come Experience the Magic of Tooraloo Farmstay!

What an absolutely cracking location! Also, I struggle to find the words to describe how cool and pleasant both Jason and Concetta were regarding all aspects of our stay at the Barnstay. Time and availability permitting, we will be back for sure! :) Thank you again for everything! :)

Lovingly restored, Byron Bay's **Tooraloo Farm Estate** is a 1910 federation gem that was once a dairy farm. Fine art and antiques enchant throughout this heavenly property. It boasts charming citrus, vegetable, native, rose gardens, park-like lawns and a tea house.

The NEW! Swanky Shed has every modern convenience and offers uber vintage flair with stunning antiques shipped from the United States. This MOD farmstyle organic American-style shed is whimsically designed. Seeing is believing — a true fairytale experience!

Artistically and authentically renovated, **The Barnstay** was once a dairy shed. Escape to mother nature and the authentic energy only a unique organic retreat can offer! Vintage wood and adornments will transport you to a world of historical farm fantasy...
