

RAFE Director of Flight Training

Volunteer position that oversees all operations of RAFE flight training in Rutan Aircraft Flying Experience aircraft.

CFI rating, experience as Canard Flight Instructor preferred.
Program management. Organizational skills. Leadership.

Job Description: Manage, maintain, develop and schedule the RAFE flight training program and standards for RAFE Sponsor Pilots transitioning into RAFE aircraft. Manage, maintain, develop and schedule flight training program for non-RAFE Pilots desiring transition training to Rutan designs utilizing RAFE aircraft. Work with Insurance Underwriters to develop and maintain a relationship with the insurance industry to ensure the RAFE program works in concert with Pilots seeking Canard flight training.

Work with the RAFE Director of Formation Flight to coordinate formation flying training.

Reports directly to RAFE Executive Staff.

Contribute time weekly working as Director of RAFE Director of Formation Flying.
