I Ted L. Gunderson, hereby swear under the pains and penalties of jury that the following statements are true and correct:

1. My name is Ted L. Gunderson. I am the owner and operator of Ted L. Gunderson & Associates, an international security and consulting firm based out of Santa Monica, California. I am Currently a Licensed private investigator in the state of California. I have preformed private investigation and security work for numerous individuals, companies, and governments worldwide since founding my firm in 1979. I have worked for, amongst other, F, Lee Bailey, Esq. The California Narcotics Authority by appointment of Governor Jerry brown, The 1984 Los Angeles Olympic Committee, and 1979 Pan American Games in San Juan, Puerto Rico by appointment of them U.S. Attorney General Griffin Bell.
2. Previous to my work as a private investigator I spent nearly three decades in the F.B.I. Between 1951 and 1960 I was an F.B.I. Spacial Agent. In 1960 I was promoted as a supervisor at F.B.I. Headquarters in Washington, D.C., where I was in charge of Organized Crime and Racketeering investigations covering 26 F.B.I. Field Offices nationwide. Following the assassination of President John F Kennedy, I was re-assigned to Spacial Inquiry White House Matters at F.B.I. Headquarters. In 1965 I was Promoted again to Assistant Special Agent-In-Charge of Internal Security and Anti-Terrorism of the F.B.I. New Haven, Connecticut Field Office. In 1970 I was promoted to Assistant Special Agent-In-Charge of the F.B.I. Philadelphia, Pennsylvania Field Office. On July 12, 1972 I successfully negation with two terrorist hijackers at Philadelphia International Airport. In 1973 I was promoted to Chief Inspector at F.B.I. Headquarters, I also served as Special Agent-In-Charge of the F.B.I. Memphis and Dallas field Office, I retired from the F.B.I. As Senior Special Agent-In-Charge of the Los Angeles Field Office of the F.B.I. With over 700 employees and budget of over 22 million dollars in 1979.
3. I have read the Complaint in the current action of Mr. Keith labella against F.B.I. And D.O.J. It is my professional opinion based on information, knowledge and belief that the information sought by Mr. labella in this F.O.I.A. Suit regarding “gang stalking”, “gang stalking groups” and “gang stalking methods” reasonably describes an **ongoing, active, covert nationwide program that is in effect today, and, based on my investigations and experience, has been operational since at least the early 1980's**. Since 1980's gang stalking has increased in scope, intensity and sophistication by adapting to new communications and surveillance technology. **These programs are using the code names Echelon Program, Carnivore System, and Tempest Systems**. The Echelon Program is administered by the N.S.A. Out of Fort Meade, Maryland, and can download any computer system without being traced or otherwise known to the owner. Tempest Systems can decipher what is on any computer screen up to a quarter of a mile away. **These programs are negatively impacting thousands of Americans and severely abusing their civil rights on a daily basis**.
4. Based on my investigative work, which includes intelligence from sources such as active and former members of the Intelligence Services (including the F.B.I., the C.I.A., the N.S.A., Military intelligence), information from informants active in criminal enterprises, and, victim testimonies, **I have come to the conclusion that thousands of victims have been targeted by an illegal government rogue criminal enterprise that is active 24 hours a day within the U.S**. This conspiracy is far too active to be controlled or operated by private enterprise whose goals are achieving financial gain. These operations require extensive financing with no return on the investment. **This program's operations are financed by illegal black operations, I.c., narcotics, prostitution, child kidnapping (children sell at covert auctions for up to \$50,000 per child), human trafficking, gambling and other rackets**.
5. **I have documentation** and know that throughout the U.S. Operating 24 hours-a-day and 7 days-a-week, there is a Central Command. Located within the U.S. With multiple satellite offices, whose administers can instantly initiate surveillance, phone taps and harassment against any individual in the country. They have the technology, financing and manpower to dispense illegal surveillance and harassment against anyone at any time, day or night. **I have files on numerous cases** of active, programmatic, illegal government harassment currently being conducted against thousands of Americans. **This makes the F.B.I.'s former COINTELPRO program, which I worked**

- on, including in a supervisory capacity, look like a Sunday school program by comparison.
6. I firmly believe that most individuals working in the F.B.I., other intelligence agencies, and the government overall are honest, law-abiding public servants. However, a sophisticated network of rogue operatives has secretly infiltrated the F.B.I., other intelligence agencies including the C.I.A., and other key government positions. **This rogue element seeks personal power and wealth and considers themselves above the law and The Constitution.** They are carrying out the aforementioned surveillance and harassment activities in conjunction with organized crime, the cult movement in America including Satanic cults, other commercial and political interests, and even misguided civil organization and neighborhood groups. This illegal surveillance and harassment program is being called gang stalking and organized stalking by the victims targeted by it. The victims are targeted for variety of reasons including government and corporate, parties to marital disputes (usually divorced women), and even jilted paramours. Journalist covering controversial issues, and, even attorneys and private investigators representing unpopular client's or interest, have been targeted by this program.
 7. **Individuals targeted by this program have been subjected to illegal and unconstitutional phone taps, illegal routing of business and private phone calls for purposes of harassment, illegal audio "bugging", surreptitious entry into home, office, and vehicle, visual surveillance in the home conducted by illegal placement of miniature remote, wireless cameras (often accessible via internet), illegal internet spyware, illegal GPS tracking (often through their own Mobile phones), regular fixed and mobile surveillance, mail misdirection, mail theft and tampering, financial and employment sabotage, slander campaigns and community ostracizing, internet disinformation and smear campaigns, poisoning, assaults and murder, illegal set-ups on drug charges and other felony charges, amongst many other civil rights abuses.**
 8. In addition to high-ranking members of the F.B.I., other intelligence services, and the government overall, wealthy, powerful members of criminal syndicates, multi-millionaires and the corporate elite are using the government gang stalking program to harass enemies. **They can get a targeted individual harassed for the rest of that individual's life** (individual cases of gang stalking lasting for over a decade are common). The higher status members of the gang stalking conspiracy initiate the gang stalking and coordinate logistics and funding. **Lower echelon government rogue operatives, lower ranking members of the military (In violation of Posse Comitatus), pretty criminals and street thugs perform the actual grunt work of daily monitoring and harassment of individuals targeted by the program.**
 9. Based on my professional experience, extensive intelligence information and belief, it is my professional opinion that the F.B.I. Is involved in and has investigative files on the subject of gang stalking, related gang stalking methods, and gang stalking groups in the F.B.I.'s vast intelligence files, that are responsive to Mr labella's F.O.I.A. Complaint. Furthermore, I have personally referred numerous victims of gang stalking to the appropriate agents at the F.B.I. For investigation of their cases. I have also furnished the F.B.I. With documentation of an active, international child kidnapping ring probably operated by rogue C.I.A. Agents. The F.B.I. Has ignored my requests to investigate even though it is their responsibility to investigate kidnappings. I have a contact in Germany who advises me that the C.I.A. Has set up secret operations on U.S. Military bases for the kidnapping, sale and trafficking of children worldwide. The F.B.I. May be using a unique code name and nomenclature for the gang stalking phenomenon in its records. However, this is a semantic difference, and, in no way changes my professional opinion that the F.B.I. Has investigative files on the nationwide phenomenon of gang stalking described in reasonable and specific detail in Mr labella's F.O.I.A. Complaint. **These F.B.I. Files contain information responsive to Mr labella's F.O.I.A. Complaint regarding the subject of gang stalking. The F.B.I. And intelligence agencies are administering and covering up the rogue, covert, government criminal enterprise of gang stalking. The gang stalking phenomenon appears in the records of both the F.B.I. And the N.S.A. In their records pertaining to the Echelon program, Carnvore System. And tempest System. In addition, the gang stalking phenomenon appears in the records of both the F.B.I. And the N.S.A. In their records pertaining to information collected by Narus system.** Narus is a wholly owned subsidiary of defense contractor Boeing that produces sophisticated, mass surveillance computer systems currently being used by F.B.I. And the N.S.A.
