

**THE SILENT CRIME**  
**ORGANIZED GANGSTALKING – TARGETED INDIVIDUALS (TI'S)**  
**DIRECTED ENERGY WEAPONS**  
**PLEASE TAKE TIME TO LEARN ABOUT THIS CRIME & HELP STOP IT**

**What is Organized Stalking (Gangstalking):** It is a form of terrorism used against Targeted Individuals (TI) in a malicious attempt to reduce the quality of life. This is done by the following:

- Cannot openly admit to the medical community of their mental/physical pain for fear of being wrongfully institutionalized **against their “Will”**. This is a form of “synthetic mental illness” caused by Directed Energy Weapons.
- Being incarcerated (pushed to commit crime)
- Under surveillance 24/7 causing mental anguish and physical pain
- Pushing TI to commit suicide
- Isolate TI so they will not speak to family, friends, co-workers regarding this crime
- In constant fear of life with no safe place
- Perpetrators use Directed Energy Weapons and are given “Card Blance” above the Law
- Emotional terror

**THIS IS CONTROL OF YOUR MIND AND BODY FOR THE SATISFACTION OF PSYCHOPATHS**

This organized crime falls under Federal & State stalking laws, RICO act as crime & others. This program was designed so the public will not believe it exists and is hard for victims to report it to local authorities. This is committed by rouge elements in our Government down to the **everyday citizen** to make it unbelievable. It goes against the Constitution of The United States Of America

**What is Directed Energy Weapons:**

Directed Energy Weapons are used on “Targeted Individuals” to create synthetic mental illness & to drive them out of their minds. DR Barrie Trower, “Microwave” expert, has done many interviews & videos to alert the public. TI’s cannot stop these weapons. Many go through walls & travels 100's of yards. Damage starts from first second it is used causing many health problems in people in the path of them. Public can buy many of these weapons.
