

RIPON HIGH SCHOOL

8th GRADE PARENT INFORMATION NIGHT-OPEN HOUSE Wednesday, February 26th, 2020 at 6:00pm Ripon High School North Gymnasium

Ripon High School would like to welcome all students and their parents to this year's Orientation/Open House. As a staff, we would like to showcase all the successful programs and department pathways to help parents and students decide on future course selections. As parents of future and current RHS students, we would like to offer information that will guide your students in selecting the right courses for next year. We will have various speakers, whom represent various aspects of our campus activities and departments. Course ballots for all incoming 9th graders will be due on Friday, March 6th, to current 8th grade teachers.
