

Strawberry Matcha Latte

Ingredients

Matcha Powder
Milk (of any kind)
Ice
Strawberry compote

FOR COMPOTE

Strawberries
1 cup Water
1 Tbsp Sugar

Method

COMPOTE

1. First make the strawberry compote. To do this take the green off the strawberries and cut into small pieces
2. Place strawberries into a small saucepan with water and the sugar. Let the strawberries come to a boil and become liquidy.
3. Take them off the heat, and start sieving the strawberries into a container so you end up with a smooth compote.
4. Let your compote cool in the fridge. Your compote will last for a few days.

MATCHA

1. Sieve your Matcha Powder so it is as fine as can be.
2. Pour boiling water into a bowl with the Matcha and with a fork whisk until it is frothy.
3. Once it is bubbly and frothy it is done and ready for your iced latte.

ICE LATTE

To combine your strawberry matcha latte, first pour in your strawberry compote. Add ice, then your milk I like almond/rice milk. Then, finally pour in your Matcha!
