If "Yes," what is the proposed course or treatment? _____

The prognosis? _____

The estimated cost? _____

If you have a written estimate for the proposed treatment or procedure, please send us a copy.

***Name and phone number of your veterinarian _____

How much have you spent on THIS problem so far? _____

How much of your own funds are you prepared to spend? _____

Do you smoke? _____ Does anyone in your family smoke? _____

Pet Assistance cannot financially help with a pet's care unless the owner can contribute.

If the pet is young *and* you do not have any money, you may have to surrender it to a humane society or local rescue group. They often have the means to medically care for the pet and they will re-home it when it is well.

Please send us a photo of your pet.

We do our best to return your inquiry within 12-24 hours.
