Chulalongkorn University
Chulalongkorn University

Thailand’s First University
Est. 1917

(Approximately 1,844,800 m²)

456 acres

19 Faculties and 16 Colleges and Research Institutes.

Library Collection

Number of Books
898,823 Titles

Number of Journals
4,667 Titles

University Color
Pink

Faculty
2,866
About 2,866 faculty members

Program
500
Over 500 programs, including 82 international programs

Students
38,941

557 Academic Partnerships in 44 Countries
Roles of Universities

Local Society
Social Impact
Economic Impact

Global Society

Competent Citizen

Sustainable Development Goals
CU Research Strategy

National Agenda
Research and innovation to strengthen country economy and sustainability

Regional and Global Agenda
Transforming the world with Research and Innovation

Cutting Edge
Frontier in science, health and social researches

Partnerships
Collaborating thru partnership with both domestic, international research institutes and private entities
4 Strategic Areas

01 Aging Society
- Policy and Social
- Policy Watch
- Health Innovation
- Age Friendly Community

02 Sustainable Development
- Urban & rural smart farming
- Food safety & Food innovation
- Bio-Energy

03 Inclusive Community & Smart City
- Smart City
- Cultural & Fashion Design
- Creative Tourism
- ASEAN Lifestyles

04 Digital Economy & Robotics
- Digital: Big data analytics / IoT / AR / Cyber Security
- Health Robotics
