

ST. ANTHONY DANIEL CATHOLIC CHURCH

Scotland, Ontario

St. Anthony Daniel Catholic Church is on solid footing, and the future is filled with hope. Hope that our parish's current members will continue to be a foundation of faith that allows the parish to thrive for many years. Hope that we can bring more to Christ through our efforts to reach out to family, friends and neighbours. And hope that as a parish we can meet our pastoral needs.

The *One Heart, One Soul* campaign gives us an avenue to pursue these hopes and to brighten the future of the parish, as well as to contribute to important diocesan ministries.

“

“It’s time for us at St. Anthony Daniel Church to build for the future. We call our local campaign ‘Lifting Up Our Faith!’ While our main goal is to make our church accessible and accommodating, in the end we want to keep the vitality of our faith community strong for years to come.”

FR. PETER CIALLELLA,
Pastor of St. Anthony Daniel

Special features of the campaign will enable us to maximize the positive effects of our fundraising at the parish level:

- First, we keep 75 percent of what we raise up to our minimum target, which is \$30,000.
- If we raise \$30,000, we will receive a 50 percent matching amount – \$15,000 – from the campaign! ***That means we could receive from the campaign even more than we raise.***
- We will keep 85 percent of the next \$30,000 that is raised.
- Beyond that \$60,000 level, the parish will keep everything it raises.
- Note that there are virtually no costs to the parish for the campaign. The diocese is picking up those costs. All the money raised will be used for campaign projects.

What an opportunity! Please consider a sacrificial gift to the campaign so that we seize this chance to fortify our parish’s future.

See the back of this page for more details about the parish needs that we hope to address through the *One Heart, One Soul* campaign.

PARISH CAMPAIGN PROJECTS

The St. Anthony Daniel financial picture is strong, and the *One Heart, One Soul* Campaign offers the opportunity to further strengthen the parish's long-term outlook. It's important to reiterate a key benefit that is mentioned on the front of this page: Through the campaign's matching fund, and with no risk to the parish, we can receive more than we give! Our generosity in this campaign will allow us to help important diocesan ministries and complete the parish projects listed here – and perhaps others:

INSTALL CHAIR LIFT FOR CHURCH (\$30,000)

St. Anthony Daniel Parish welcomes any and all in the community to worship with it. Those arms will be open even wider when a chair lift is installed, improving accessibility to the church space. Built in the early 1950s, the church is overdue for this improvement, which will help meet the needs of longtime parishioners as well as people of all ages who face physical challenges.

CHURCH REFURBISHMENT (\$7,500)

In addition to a chair lift, the church building also is in need of a number of other items of upkeep and improvement. These include dealing with mold; replacing carpeting or installing a new type of flooring; and considering enhancements to the hall. These and other items will be considered as funds allow.
