

# Questioning God

What is God doing in the world - and in my life? (Habakkuk 1:1-2:1)

**Principle One: Men sometimes have tough questions for God.**  
(Habakkuk 1:1-4)

**Principle Two: God sometimes has surprising answers. (Habakkuk 1:5-11)**

God's first answer: "I have plans that you don't understand." (Habakkuk 1:5)

God's second answer: "I do things in unbelievable ways, and use unlikely means to accomplish my goals." (Habakkuk 1:6)

**Principle Three: We don't always understand God's plans.**  
(Habakkuk 1:12-2:1)

Sometimes what we experience seems contrary to God's power.  
(Habakkuk 1:12a)

Sometimes what we experience seems contrary to God's nature.  
(Habakkuk 1:13)

Sometimes what we experience seems contrary to God's justice.  
(Habakkuk 1:14-17)

## Implications
