

Induction Program

During the Holy Service

IMPORTANT.

This is a suggested program that can be modified. The purpose of the service is to give a Christ-centered message and the program needs to be short and to the point to give enough time to the preacher for his message.

After the Sabbath school have a background music to separate the program. You can parade the flags to the platform or the American and Master Guides flag may be already on the platform. Remember, the American flag must be on the right-hand side of the preacher.

ENTRANCE

Platform - Director(s), Area Coordinator(s), Club Drill Master, Club Chaplin, Leaders, Etc.

CEREMONY

Director - I declare the induction ceremony of the Master Guide club: CLUB NAME now in progress (the candle is lit and the sanctuary lights go out).

The candle that is now lit represents the spirit of the Master Guide. This is a spirit of learning, adventure, fun, fellowship, spiritual development, friendship, and love. It is above all a spirit of reverence, a spirit of service to God and man. This single light (turn on the candle) by itself is not sufficient or complete, so we need to call additional lights to complement it.

Note: each participant can turn on each candle and then recite their part.

RED

Read means sacrifice. This color reminds us of the sacrifice of Christ, and all Emblem carrying the red color is a permanent remembrance of the innocent blood of him who loved us so much. The text of John. 3: 16 says, "for God so loved the world. That he gave his only begotten son, so that whoever believes in him will not perish, but you have everlasting life". Also, see in Hebrews 9:26 otherwise you would have been necessary to suffer many times since the beginning of the world; but now, in the consummation of the centuries, arose once for all by the sacrifice of himself to get in the middle of the sin.

WHITE

White means purity, innocence, wholeness and completion. The color white is color at its most complete and pure, the color of perfection. In color white is the color of new beginnings, of wiping the slate clean, so to speak. The color white also communicates peace, and its mere presence inspires confidence. Purity means cleaning, and this is a cleaning that only God can give. The text Revelation 3:5 says " The one who conquers will be dressed like them in white clothing, and I will never erase his name from the book of life, but will declare his name before my Father and before his angels" 1 Timothy 4: 12 says "Let no one look down on you because you are young, but set an example for the believers in your speech, conduct, love, faithfulness, and purity" and Zephaniah 3:9 says " Know for sure that I will then enable the nations to give me acceptable praise. All of them will invoke the Lord's name when they pray, and will worship him in unison".

BLUE

Blue means loyalty. It is the dominant value of a Master Guide and the word betrayal does not exist in their vocabulary, and thus teaches those who come behind it, because anyone who sees a Master Guide trust, looks for him, wants to be his friend. The Master Guide keeps his eyes fixed on his leader who is Jesus and is always for the right though the heavens fall. The text. Jeremiah 42:5 says "Jehovah witness between our truth and loyalty, if not we way according to all that for which Jehovah your God you send to us". Psalms 89:37 says " it will remain stable, like the moon, his throne will endure like the skies". Proverbs 25:13 says " Like the cold of snow in the time of harvest, so is a faithful messenger to those who send him, for he refreshes the heart of his masters."

YELLOW

Yellow means excellence. Excellence is the degree of perfection attained by a person or an institution, and in our case, urges the Christian to approach the stature of Christ. Matthew 5:48 " So then, be perfect, as your heavenly Father is perfect", in personal life the Master Guide seeks to reach excellence in observing all laws, constantly remembering that you must walk uprightly, and be fair in everything you do by small that is, and keeps his vote to love God, his country, and his family. The text of Revelation 3: 18 says " take my advice and buy gold from me refined by fire so you can become rich!", and Philipians 3:8 says " More than that, I now regard all things as liabilities compared to the far greater value of knowing Christ Jesus my Lord, for whom I have suffered the loss of all things—indeed, I regard them as dung!—that I may gain Christ,".

Director

The spirit of all Master Guides is represented by the candle as a symbol of good, high character and ideals, is a symbol of spiritual development with goals that we have as members of the club, so our young people and adults will learn more than themselves and more of the part which is to take in the latest events of history. The law, the pledge, the motto and the aim help us to get to these ideals.

Have a Master Guide recite each section
