

Investiture Program **During the Holy Service**

IMPORTANT.

This is a suggested program that can be modified. The purpose of the service is to give a Christ-centered message and the program needs to be short and to the point to give enough time to the preacher for his message.

After the Sabbath school have a background music to separate the program. You can parade the flags to the platform or the American and Master Guides flag may be already on the platform. Remember, the American flag must be on the right-hand side of the preacher.

ENTRANCE

Director - I declare in this Master Guides investiture ceremony that the members that will be invested have completed all the needed requirements according to the Master Guide requirements card and the articles of the Texas Conference. As the witness of this ceremony before the Conference of Texas, we have the Area Coordinator

_____.

The Master Guide Ministry in this Church has worked arduously since it was established. Applicants and members have participated in numerous activities, they have worked arduously and they have learned of the instructors and teachers.

Brothers, family, and friends. Being a Master Guide is an honor and it also brings with it so many challenges. It is a task and it is a bonus to proclaim "The Advent Message to all the World in My Generation.", and we do it because "The Love of Christ Constrains Me."

Today, the Master Guides that will be invested have made their future brighter not solely here in the church but also in the world and mainly they have taken a step closer to heaven. Truly it is for me a privilege to be a leader in this Youth Ministry since this Master Guides have fulfilled their wish and have achieved a goal in their lives.

Dear Master Guides, you know that the classes are over but you should not finish here, the path of learning continues ahead. I challenged you to continue learning and developing new skills and to have an individual

relationship with our maximum Master Guides leader Jesus. He is the only one that can lead you to achieve the ultimate victory and one day have the goal to be with him in heaven. Leadership do not end here is a lifelong responsibility to you and to others. Continue to growth and help others achieve the same goal that you achieved today. May God continue to bless you Master Guides and Don't forget to:

Keep the Morning Watch,
Do my honest part,
Care for my body,
Keep a level eye,
Be courteous and obedient,
Walk softly in the sanctuary,
Keep a song in my heart,
Go on God's errands.

God Bless each one of you
