Xenia Community Center

(next to Council office)

Welcome!

We have said it many times before and will continue to do so ... expressing our creativity, no matter how developed it might be, is great for our brain health. Even better is coming together with others to try something new!

We invite Greene County adults to join us for the Creativity Expo which includes a choice of creative sessions led by some pretty special, talented, and patient individuals. A light lunch is also included.

We also ask that you give some thought to what creative projects/ideas you would be interested in for future Creativity Expos, as we will be soliciting your input throughout the day.

A photo and description of each creation, as well as the name of the instructor can be found in the following pages. Pick your morning and afternoon favorites, complete the registration form, and send it in to save your spot!

Fairy House

Use moss, bark, and other bits and baubles to create an indoor fairy house that any of the wee folk would be proud to take up residence in.

Instructor: Lisa Quesne

Glass Wind Chimes

Colorful bits of glass make these wind chimes sparkle in the sun. Hang them in your kitchen window to remind you of the outdoors when you need to be in.

Instructor: Roger Panton

Afternoon Choices 12:10 am - 1:50 pm

Painted Stones

Have you ever picked up a stone and thought, “That’s shaped jus like a...”? Create colorful stones to bring out their natural shape

and brighten up a flower pot or a desk.

Instructor: Diane Hollenbeck

Coffee Filter Poppies

We will be dyeing coffee filters and assembling them into poppies, and perhaps a few other imaginative flowers.

Instructor: Susan Finster
