WELCOME TO NEWPORT SEA BASE

UPCOMING EVENTS

SPRING BREAK CAMP: STEM & SAILING **2-Week camp in April**

Spend your days soaking up the sun while sailing, kayaking, and canoeing your way around the bay. For all you landlubbers, you'll get hands-on STEM and Wacky Science labs. Space is limited. Sign up now at NewportSeaBase.org!

OPEN HOUSE

May - First Saturday

Come celebrate the opening of a new season with a fun-filled event chock-full of activities and food. Bring your friends and family to the Newport Sea Base and discover the exciting opportunities available to girls and boys on the waterfront.

COASTAL CLEANUP DAY

September - Third Saturday

This Coastal Clean up effort is held annually on the third Saturday in September. Orange County Scouts and Sea Scouts join over 7,400 volunteers and help remove an anticipated 70,000 pounds of trash and recyclables from Orange County beaches, parks and creeks. Visit www.coastkeeper.org/ccd for details.

CHRISTMAS BOAT PARADE FESTIVITIES

December - 5 Days to be Determined

Gather friends and family and join us for an incredible view of the Annual Newport Beach Christmas Boat Parade! The Sea Scouts sell food and beverages, so all you need to bring is a blanket to snuggle under as the acclaimed parade illuminates the harbor. Exact dates TBD. Get your tickets at NewportSeaBase.org!

ABOUT NEWPORT SEA BASE

Since 1937, the Newport Sea Base has provided fun and valuable educational maritime-based programs to all youth - Scouts and non-Scouts.

Year-round, girls and boys learn oceanography, marine science, environmental science, boating safety, dinghy and keelboat sailing, rowing, canoeing, kayaking, motor boating, and other aquatic-related subjects.

The site is provided courtesy of the Orange County Board of Supervisors and operated by the Orange County Council, Boy Scouts of America. A shining example of what a privately-funded and publicly-accessible facility can do, the Newport Sea Base counts an overall attendance of more than 53,000 per year.

NSB JR. SAILING TEAM | AGES 8-17

For students having completed Sailing Level 2, or equivalent, this program is for the competitive sport of sailboat racing! The team practices twice a week and competes in regattas in the Southern California area on weekends.

For more information, contact derekt@newportseabase.org.

NSB OFFSHORE SAILING TEAM | AGES 14-20

For students having completed Big Boat Sailing, or equivalent. We take the passion for sailing to the next level in 30' to 38' race boats for nearshore and offshore races and regattas. The team meets on Thursday evenings twice a month, and competes on weekends.

For more information, contact tom@newportseabase.org.

ADVENTURE SAILING CLUB | AGES 7-17

This group meets on Sunday afternoons for the joy of sailing, camaraderie, and improving one's skills. Family activities are also held from time to time, and the students may sail larger boats as well!

For more information contact jack@newportseabase.org.

MARINE SCIENCE CLUB | AGES 10-17

For students who become enthralled with studying what lies, swims, or crawls, beneath the surface of the ocean, we have a program to continue this passion! Our dedicated staff of Marine Science Instructors and volunteers lead sessions that range from exciting class lessons, to hands-on learning, and family field trips!

For more information, contact melissa@newportseabase.org.

CHARTER SCHOOL ACTIVITIES

Students can use their charter funds on any class at our facility. See complete class listings at newportseabase.org. We also offer a Monday & Wednesday, Tuesday & Thursday, and Friday full-day program for home schoolers.

For more information contact jack@newportseabase.org.

\$5 MILLION ENDOWMENT CAMPAIGN

HELP US RAISE \$5 MILLION BY 2023

Since its inception, the Newport Sea Base has served over 200,000 youth right here in Orange County. In order to keep this opportunity open to as many youth as possible, prices are subsidized at below cost rates.

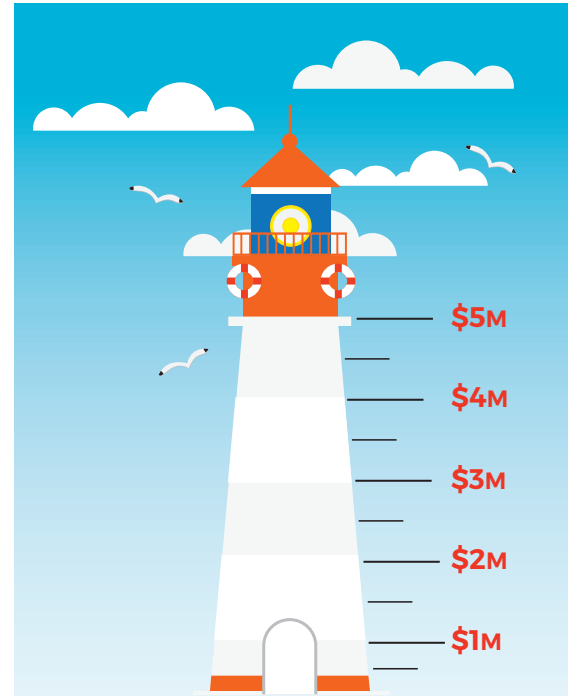

Program fees constitute roughly 50% of the annual operating budget and the shortfall must be raised by other means. When presented with budget constraints, maintenance and capital needs are deferred which in a salt water environment results in ever-mounting dock and boat bottom cleaning and perpetual metal oxidizing costs.

It is time to endow the Newport Sea Base permanently so that thousands of youth in our community continue to have access to boating and maritime opportunities that otherwise would be out of reach.

Help keep this community marine education center thriving. Let's raise \$5 million by 2023!

Interest earned would:

- Double the maintenance budget to \$100,000 annually
- Increase the Journey to the Ocean program capacity to serve 2,500 students per year
- Help bring back a long-term Adventure Camp vessel (a 25-person overnight capacity vessel)
- Keep pace with California minimum wage increases for staffing costs
- Maintain a mission-focused program staff
- Award more scholarships for long-term programs such as Sea Scouts, Rowing, and Offshore Sailing
