Love vs. money: Barbara Mackey's gloriously illustrated guide to your horoscope for June

**+**

**● Cancer**  
JUNE 22-JULY 22  
Now is the time to make a career move, so start cleaning out your desk. Love isn't a distant dream, it's your reality.

**Leo**  
JULY 23-AUG. 22  
Running on high octane makes your co-workers feel exhausted. What charm school did you attend?

**+**<sup>2</sup>

**Taurus**  
APRIL 21-MAY 21  
Your gadabout disposition is too much, too soon, too fast. Let that someone special catch up with you. The workplace is primo!

**● Scorpio**  
OCT. 24-NOV. 22  
Passion is around every corner, so keep your eyes peeled. Work to you is just that – work.

**● Aquarius**  
JAN. 21-FEB. 19  
Your avant-garde persona is quirky, but so interesting. Why buck the system? Join an ashram.

**LOVE**

**Pisces ●**  
FEB. 20-MARCH 20  
You cry at the movies, weddings and supermarket openings. Too sensitive. At work, your motto is, "I like everyone."

**Libra**  
SEPT. 24-OCT. 23  
The new you wants to explore your wild side. Enjoy! Keeping everyone happy at work is giving you double vision.

**● Gemini**  
MAY 22-JUNE 21  
It's your birthday! Yes, you can do anything ... and you probably will. To you, love means never having to say you're sorry.

**Capricorn ●**  
DEC. 22-JAN. 20  
Why be uptight with a love interest who doesn't have a 401(k)? Work is your relaxation.

**Virgo**  
AUG. 23-SEPT. 23  
To you, love is more than physical. No conversation, no attraction. All work and no play ... dullsville.

**Sagittarius**  
NOV. 23-DEC. 21  
"Catch me if you can" is your love mantra. You could sell ice to a snowman.

**MONEY**

**Aries ●**  
MARCH 21-APRIL 20  
Your naturally fiery temperament warms the coldest of hearts. Do not tangle with co-workers, "yes" them to death.
