Love vs. money: Barbara Mackey's gloriously illustrated guide to your horoscope for July

**Aquarius**  
JAN. 21-FEB. 19  
You are the epitome of "anything goes." A stable 9-to-5 type will show interest. Try it, you'll like it. Go with your intuition. Steer clear of fast talkers.

**Leo**  
JULY 23-AUG. 22  
In matters of the heart, your pride must be nurtured. If your partner is remiss: "Next!" As a boss you're magnanimous and charitable.

**Gemini**  
MAY 22-JUNE 21  
Who says you can't keep up with more than one relationship at a time? A car salesperson ... you are. A computer geek ... you ain't.

**Capricorn**  
DEC. 22-JAN. 20  
Love and money aren't necessarily synonymous. Socialize with the masses. There's life outside the office. Run to the nearest happy hour.

**Sagittarius**  
NOV. 23-DEC. 21  
When in a committed relationship, you're unhappy. When single, you're happy. So what if you've been fired before lunch?

**Libra**  
SEPT. 24-OCT. 23  
"If you're famous and a big spender, knowing your name isn't necessary. Let's get hitched." A fair-minded person, you promote free speech and free lunches.

**Virgo**  
AUG. 23-SEPT. 23  
You want a refined mate, preferably someone with a master's degree or Ph.D. You're lonely. How about a high school graduate? You're definitely the leader at work.

**Scorpio**  
OCT. 24-NOV. 22  
Sensual and mysterious, you need to sharpen your seductive skills. Creativity is the way to go career-wise. Open the ballroom dancing school.

**Cancer**  
JUNE 22-JULY 22  
We all know you're supersensitive. Stop with the e-mails and faxes. We've got the message. Your employer and co-workers think you're fantastic.

**Aries**  
MARCH 21-APRIL 20  
Purchase a fire extinguisher: New love affair is hot and combustible. Your overbearing attitude is a no-no.

**Taurus**  
APRIL 21-MAY 21  
Your unrealistic sentimentality is giving you double vision in a relationship. Work is your refuge.

**Pisces**  
FEB. 20-MARCH 20  
Dreamy and changeable, you haven't a sense of direction right now. Have a talk with yourself.

**LOVE**
