## Winners and Finalists | 2017 *(released on 7th March 2017)*

### BEST SPECIALIST RESEARCH

Finalists: **Management Joint Trust** • MTS Research • Optuma • RANsquawk

# MARKET TIMING SINCE 1969

Our biggest challenge for the last 47 years has been fighting the Efficient Market Hypothesis stating that prices cannot be predicted, nobody knows and no one can time markets, which of course is in complete contradiction with our claims that "MJT is Timing" and that "MJT gives answers".
