Planned giving is just that – making a plan now for a future charitable gift.

A will bequest is the most common type of planned gift. It's easy to do and costs nothing during your lifetime.

Your bequest can be for a specific amount, for a percentage of your estate, or a percentage of the remainder ("residual") of your estate. You can also direct that your donation be used to support a Foundation program most meaningful to you.

A will bequest is just one way you can plan now for a future gift. You are encouraged to contact your trusted financial advisor or the NAU Foundation to discuss all your planned giving options and the tax benefits they may offer.

Join our Legacy Society by planning now to change the lives of NAU students in the future.

**"My education gave me a second chance.
Now my success is inspiring others."
-Royce Gay, Scholarship Recipient**

The Foundation's Programs

Academic Excellence Scholarships are awarded each year to 70 or more students who are excelling in school while also active in their communities.

Targeted Scholarships are offered in support of students in a particular program, at a certain campus, and/or in memory of someone who valued education.

The **Maverick Pride Scholarship** is awarded to a student who is approaching graduation and has excelled in school.

The **My PLAN for the Future Scholarship** is awarded to a middle school student based his/her post high school plan. The selected student is named honorary "NAU President for a Day" and receives \$250.

Innovation Grants are offered to faculty and staff in support of innovative ideas that benefit student success.

You can help! Join our Legacy Society. Change lives.

The Foundation's meaningful work is made possible by the generosity of individual and corporate donors. Donations are tax-deductible.
