

PERSONAL COMMUNICATION DEVICES:

The use by students of personal communication devices such as cell phones, pagers/beepers or other similar electronic communication devices is prohibited at all district school campuses during the instructional day. All personal communication devices should be turned off and kept in backpack during the school day. Any devices found out of compliance will be held in the front office until a parent picks them up.

- A. These devices must remain off during instructional time including passing periods.
- B. Students who violate this policy will be disciplined as provided for in the Clark County School District's Guidelines for Secondary Students and the Elementary Students Behaving Positively at School.
