

Akumal Art Festival

November 9, 10, 11, 2018

Akumal Pueblo, Quintana Roo

Presented by Turtle Bay Cafe & Bakery and Tortuga Escondida Residency Center

The Festival happens November 9, 10, 11, in 2018!

A weekend of art, making, food, drink, and good company, the Festival de Artes is an explosion of creativity and good will.

The goal is to bring a fiesta of art to Akumal Pueblo: through art and community engagement, enhance and beautify the town for the local people as well as visitors. Murals, site specific works, performances, and even interactive media are on the menu.

Tortuga Escondida is dedicated to coordinating space for public works, workshops, exhibitions, and performance. Artists are invited from within and without Mexico to make something for and with the people, while enjoying the beautiful area.

We appreciate your support; every bit counts!
