**Re: In Re Elysium Health - Chromadex Litigation
17 Civ. 7394 (CM)**

Dear Judge McMahon:

We are counsel to defendant-plaintiff Chromadex, Inc. and write in connection with this Court's Decision and Order dated September 27, 2018 ("Decision and Order").

The Court's Decision and Order converted Chromadex's motion to dismiss the Elysium Complaint on Noerr-Pennington grounds to a motion for summary judgment, and required the parties to file any and all evidence that may bear on the objective baselessness of Chromadex's Citizen Petition within 30 days (October 29, 2018).

The parties have conferred, and we jointly propose that each party submit its respective declaration(s) and exhibits on October 29, 2018, pursuant to the Decision and Order, together with a memorandum of law not to exceed ten (10) pages.

Respectfully submitted,

A handwritten signature in black ink that reads "Alan Levine". The signature is written in a cursive style and is positioned above a horizontal line.
