**CIVIL CASE MANAGEMENT PLAN**  
**(FOR ALL CASES EXCEPT THOSE EXEMPT PER INDIVIDUAL RULES)**

McMahon, C.J.:

1. This case is to be tried to a jury.
2. Discovery pursuant to Fed. R. Civ. P. 26(a), and initial discovery requests, shall be exchanged by March 19, 2019.
3. No additional parties may be joined after August 9, 2019.
4. No pleading may be amended after August 9, 2019.
5. **Section 1983 Cases.** If your case is brought pursuant to 42 U.S.C. § 1983, counsel representing any defendant who intends to claim qualified immunity must comply with the special procedure set forth in the Individual Rules, which can be found at <http://nysd.uscourts.gov/judge/Mcmahon>. Failure to proceed in accordance with the qualified immunity rules constitutes a waiver of the right to move for judgment on the ground of qualified immunity prior to trial.
6. All discovery, including expert discovery, must be completed on or before December 20, 2019.
  - a. For personal injury, civil rights, employment discrimination or medical malpractice cases only: Plaintiff’s deposition shall be taken first, and shall be completed by: N/A.

- b. **PLEASE NOTE:** the phrase “all discovery, including expert discovery” means that the parties must select and disclose their experts’ identities and opinions, as required by Fed. R. Civ. P. 26(a)(2)(B), well before the expiration of the discovery period.
    - i. Document discovery to be completed by August 23, 2019;
    - ii. Fact Depositions to be completed by October 11, 2019.
  - c. Expert disclosures conforming with Rule 26 must be made no later than the following dates:
    - i. Initial expert report(s) by October 25, 2019;
    - ii. Rebuttal expert report(s) by November 25, 2019;
    - iii. Expert depositions to be completed by December 20, 2019
7. Judge McMahon’s rules governing electronic discovery are automatically in force in this case and can be found at <http://nysd.uscourts.gov/judge/Mcmahon>. The parties must comply with those rules unless they supersede it with a consent order.
8. Discovery disputes in this case will be resolved by the assigned Magistrate Judge, who is Debra C. Freeman.
- a. The first time there is a discovery dispute that counsel cannot resolve on their own, file a letter to Chambers via ECF and ask for an order of reference to the Magistrate Judge for discovery supervision. Thereafter, go directly to the Magistrate Judge for resolution of discovery disputes; do not contact Judge McMahon.
  - b. Discovery disputes do not result in any extension of the discovery deadline or trial-ready date, and Judge McMahon must approve any extension of the discovery deadline in non-*pro se* cases.
  - c. **The Magistrate Judge cannot change discovery deadlines unless you agree to transfer the case to the Magistrate Judge for all purposes.** Judge McMahon does not routinely grant extensions so counsel are warned that if they wait until the last minute to bring discovery disputes to the attention of the Magistrate Judge, they may find themselves precluded from taking discovery because they have run out of time.
9. The parties may at any time consent to have this case tried before the assigned Magistrate Judge pursuant to 28 U.S.C. § 636(c).
10. A joint pretrial order in the form prescribed in Judge McMahon’s Individual Rules, together with all other pretrial submissions required by those rules (not including *in limine* motions), shall be submitted on or before February 28, 2020.
- a. Following submission of the joint pretrial order, counsel will be notified of the date of the final pretrial conference.
