

ABOUT US...

FADS is based in the small West Stirlingshire village of Fintry and has been putting on plays for more than 40 years, both locally and in competitions around the UK. This is the fourth time in five years that it has toured a production to Orkney, joined this year by SSS YFC, a club with a strong tradition of supporting community drama, on its first (and almost certainly not last) visit to the island.

ROXAN

Finally, a big thank you to Birsay Drama Group for their wonderful hospitality and assistance once again in promoting our visit. We look forward to returning next year - and beyond!
