Teen Burger

\$3.50 ONLY

This is not a drill. The Teen Burger is really just \$3.50. What's changed? Nothing except the price. It's still made with the best ingredients—100% pure beef raised without the use of hormones or antibiotics, bacon that's naturally smoked with pecan wood, melted processed cheese, crisp lettuce and vine-ripened tomatoes. It's just really good food at a really good price, for a limited time.

LOW REGISTRATION RESULTS IN CANCELLED DAY CAMPS

This summer the Chetwynd Rec Centre was offering some really great day camps, but some of the camps were cancelled due to a lack of registration. It's pretty hard to believe that with all the people in this town looking for things to keep their kids busy in the summer months, they would not take advantage of the great programs that are offered. With 8 camps offered at a minimal cost of \$20 a week, only 5 of those camps went ahead as planned. The Kinder camp was the biggest success this year with 12 little gaffers that participated. Mini-chefs, drama, sports and gymnastics camps went ahead, but the dance camp, art camp and volleyball camp were all cancelled.

With schedules up in the air during summer and it possibly being bad timing (or just people not wanting to commit), registration can be pretty hit and miss. We should all realize that the fewer people that take advantage of these great programs, the more chance we have of them not being offered again. The camps were run by fantastic instructors for one week each between 8 and noon. The camps gave kids valuable information and experience and were also jam packed with fun.

Next summer, be sure to contact the Chetwynd Rec Centre to see what programs are being offered to help make the most of your kids' summer and to make the most of the programs offered in our town.

REWARDED FOR READING

The Public Library held a party on August 24th for all the kids who participated in the BC Summer Reading Club: Book a Trip. With over 100 kids aged 0-12 that participated in the reading program, they had a lot to celebrate. Kids were given a special kit to keep track of their reading and were encouraged to get in 15 minutes of reading a day for 50 days. They also had weekly play groups for babies, toddlers, preschool, kids and tweens.

This has been proven to not only keep minds sharp throughout the summer, but to help improve reading skills. What better way to keep kids interested in books than to reward them with a party, medals, certificates, books and other surprise gifts? The ladies at the library always do such a great job with the planning and organizing of their programs.

The Chetwynd Public Library sponsored the Summer Reading Club in cooperation with British Columbia Library Association, and with funding assistance from the Libraries Branch, BC Ministry of Education and the RBC Foundation.

That old September feeling... of summer passing, vacation nearly done, obligations gathering, books and hockey in the air.... Another fall, another turned page: there was something of jubilee in that annual autumnal beginning, as if last year's mistakes and failures had been wiped clean by summer.
