Local Youth Out-Lifts The Competition At Prince George Meet

On the weekend of June 22nd, while most 17 year olds were getting ready for one of the biggest days of their teenage lives, their highschool graduation, Matthew Swain was preparing to do something not many 17 year olds can brag about.

Through his dedication and drive, this young man has proven to himself and many others just what he is capable of. On that weekend, Matthew travelled to Prince George to the Canadian Open Powerlifting Meet where all of his hard work paid off.

At 17, Matthew can lift more than most grown men. His squat lift of 507 lbs, bench press of 315 lbs and an astounding 600 lb dead lift, has now set National records for his age and weight class. Matthew is well on his way to achieving what only some can dream about.

On behalf of myself, his family and his friends, we would like to send out a huge congratulations to him and want him to know how proud we are of all his hard work! Keep it up kid, you're doing great!

Public Round Table Hosted by Mike Bernier Regarding Forest Industry

A public round-table regarding the forestry industry in North Eastern BC was held in Chetwynd Wednesday evening.

Around fifteen people attended the event, which was held at the Chetwynd Recreation Centre. The discussion was hosted by MLA Mike Bernier. MLA Dan Davies, and MLA John Rustad attended as special guests.

Recent curtailments and closures, and well as discussions around the Caribou has caused much concern in local communities associated with forestry industries. MLA Mike Bernier opened the discussion by stressing the fact that all regions of the Peace need to work together on this issue.

Critic for the Ministry of Forests, Lands, Natural Resource Operations, and Rural Development, MLA John Rustad then took to the floor and addressed the current status of the industry.

Forestry directly employs around 5% - 6% percent of jobs in the province. A major driving force in the recent reductions in production is the fact that there has been an erosion of competitiveness in price for product produced in the province.

Reduction of production is also causing major concerns with industry contractors, who depend on forestry for consistent work.

Discussion about the caribou, government reaction, the consultation process, and the moratorium also took place.

Chetwynd Mayor Allen Courtoreille asked the MLAs how their party, should they form the next provincial government, would approach the caribou issue and the

2-year moratorium. MLA Mike Bernier stressed that he couldn't give any exact promises, but his party has been taking note of the things that need to be improved upon when approaching this issue.

The Mayor also asked if there were any measures local governments could take to get their concerns heard.

MLA Dan Davies suggested that local municipalities should be talking to each other and working together concerning this issue. The MLAs suggested that communities need to lobby and do whatever they can to get their voices heard by both the provincial and federal levels of government. Local residents can also be heard by e-mailing their provincial and federal representatives.

A representative from Work BC stated that they have seen an uptick in people approaching their office for information about other employment opportunities and employment insurance.

Softwood lumber was also briefly discussed. MLA Rustad stated that it is unlikely there would be any resolution to that issue until after the next American election.

Consultations with other communities affected by these issues will take place over the next few weeks.

Summer Your guide to enjoying every moment

Essential gear for summertime hiking

Anything can happen in the wilderness. That's why it's important to be well equipped when hiking, even if you're only planning on being out on the trails for a few hours. Here's a list of every thing you need for a day hike.

- Sun protection including a hat, sunglasses and sunscreen
- Head lamp and spare batteries
- Identification
- Watch
- Trail map and a compass
- Toilet paper
- Fully charged phone
- Plenty of water
- Food and snacks
- Survival kit that includes a multipurpose tool, duct tape, rope, a lighter, a whistle, a survival blanket and water purification tablets
- First aid kit that includes adhesive bandages, scissors, splints, bug spray, over the counter pain medications, tweezers and antiseptic ointment
- Trekking poles (not essential, but nice to have in many scenarios)

You may not use everything on this list during your hike, but if you need it, you'll be happy you thought ahead.

Canada Day 2019 in Chetwynd

This past Monday, July 1st, the Chetwynd community came out in full force to celebrate this awesome country's birthday. The parade was bigger than ever with several floats patriotically decorated. The winners of the best float for the parade are announced on the District of Chetwynd's "Canada Day Thank you" (you can find this on the back page of today's paper)

Festivities took place right after the parade and for the remainder of the day at Spirit park with something for everyone to enjoy. Chetwynd Community Arts Council was set up with an art studio for kids to create their own masterpieces. The Chetwynd Public Library was on scene with some fun games and info about what is happening this summer at the library.

Mayor, Allen Courtoreille made a speech to the crowd to kick off the festivities and awarded 4 people with the yearly District of Chetwynd "Civic Awards". 'The Heroes Among Us' award went to Marty Fowler, 'Chetwynd's Junior Citizen of the Year' went to Katelynn Marshall. 'Citizen of the Year' went to Carl Rose. And the 'Volunteer of the Year' went to Chetwynd's Social Planning Society- the Sukunka Group.

The Chetwynd Chamber of Commerce and the Chetwynd Visitor Centre also took the opportunity to announce the winner of the 2019 Shop Local Contest, the winner was Kayla Macdonald, who walked away with \$570 of "Chetwynd Bucks" to spend locally.
