FRI, DEC 8 AT 11AM. BOOK NOW TO GUARANTEE A SPOT!**

CHETWYND PUBLIC LIBRARY FEASIBILITY STUDY

For the past several months the Chetwynd Public Library has been working towards figuring out a direction to go in terms of the library's facility. The public was asked through an online study and the information was passed on to Leighton McCarthy of the Library Planning Consultants, who presented the final report on Tuesday November 28th, at the Cottonwood hall.

Through the several stakeholder meetings held (the main point of focus being for the facility), it was concluded that the library could use a larger space, more quiet areas, additional multipurpose space, more natural light, and distinct children and youth/teen areas. The public had their say when it came to what the future will be of our local library. There were 410 responses to the study online, which suggested more space is needed, as well as the other areas of focus discussed by the stakeholders.

According to the study conducted by the Library Planning Consultants, which takes into account an array of different national, provincial and international trends and statistics, interviews with staff, board and stakeholders, as well as an analysis of the community and surrounding areas, it was concluded that although our library was hoping for more space, the need is not supported through the studies. They concluded that the 6069 sqft that our library currently occupies exceeds the determined standards, seemingly meaning the library should only be 4953 sqft.

Five options for construction of the facility were studied, but only three are feasible at this time. Option one is to renovate and rejuvenate the current facility at a cost of \$750,000. The main downfall of this plan is the extensive work that will still need to be done in another 10 years.

Option three is a standalone building in one of the empty lots near 5000 North Access Rd. The cost of this option is \$2,025,000. This option would help solve parking issues for both the Rec Centre and the Library. The time line would be longer for a project of this scale, but there are more benefits than faults with this option.

Option Five is building an addition onto the Rec Centre at a cost of \$1,508,000. The cons of this option would be that the Library would lose its own identity and become part of a larger whole. Crazy Beanz Bistro could be lost due to the existing food service in the Rec Centre, and the other plans for the Rec Centre expansion would have to be revisited and revised. The only benefit with this option is that the operating costs would be decreased due to sharing the facility.

The Library Planning Consultants concluded that option 5 would be the most viable option. The room was fairly quiet after hearing the findings to the study at the meeting, and things seemed a little tense. Moving forward, it will be up to the District of Chetwynd, the Peace River Regional District and the Chetwynd Public Library's Board and Stakeholders to make the final decision on what will become of our community's library.

Kelsey Roberts, Reporter Coffee Talk Express

"I heard a bird sing in the dark of December. A magical thing. And sweet to remember.

We are nearer to Spring than we were in September. I heard a bird sing in the dark of December."

**Double CHEESE
Double BACON
BURGERS**

And double napkins, probably.

PAPA

GRANDPA

How do you top a burger that's made with 100% pure beef raised without the use of hormones or steroids? Generously, that's how. Like with a double helping of cheese and naturally smoked bacon. Because when you've made Canada's best tasting burger, there's nowhere to go but up.

RAISED WITHOUT
the use of

4Evergreen Resources LP (4EG: a Saulteau First Nations' owned medium sized civil construction company) is currently looking to hire 2 (two) certified Construction Safety Officers.

| | |
|-------------------|------------------------------------|
| JOB TITLE | CONSTRUCTION SAFETY OFFICER |
| REPORTS TO | SAFETY MANAGER |

Job Purpose

We are currently seeking self-motivated, certified National Construction Safety Officers (NCSO's) will be responsible for the supervising, implementing and enforcing of the safe day-to-day project operations and activities of our workers and subcontractors. The successful candidates will work directly with our management team and clients to ensure all projects will be completed safely and successfully to scope and budgets.

Duties and Responsibilities

1. Oversee the daily implementation and enforcement of all applicable safety programs, policies, procedures and regulatory requirements;
2. Provide safety coaching, mentoring, training of safety programs and site orientations of workers and subcontractors;
3. Perform regular inspections and audits of activities and practices;
4. Collaborate with managers and clients to monitor compliance and identify and mitigate safety issues;
5. Maintain and file accurate documents, records and reports with company, clients and regulatory agencies as required; and
6. Use and continually develop leadership skills.

Qualifications

- Be a certified National Construction Safety Officer (NCSO), Gold Seal preferred, Red Seal minimum;
- In depth knowledge of BC Occupational Health & Safety Regulations;
- Experienced in development, implementation and enforcement of health, safety and environmental (HSE) policies and procedures;
- Possess current, valid safety certificates (OFA Level 1 minimum, WHMIS 2015, TDG, H2S Alive, Ground Disturbance Level 2, Oilfield Driver Awareness, Construction Safety Training Systems, Pipeline Construction Safety Training and S-100 (Fire Suppression));
- Be diligent, detail oriented and be of an analytical mindset;
- Have excellent oral and written communication and advisory skills;
- Proficient in MS Office;
- Ability to ensure and maintain corporate records and confidentiality;
- Ability to solve problems, make effective decisions, resolve conflicts and manage time effectively;
- Be willing and available to submit to, perform and pass pre-employment drug and alcohol (D&A) testing;
- Possess a current, valid Driver's License and clean Driver's Abstract;
- Pass and provide a Criminal Records Check; and
- Be willing to travel to/from and stay in camp as may be required.

To Apply, please submit resume and cover letter by 4:00 PM MST on December 8th, 2017 to:

18 Wheels of Christmas

The Magic Begins With You

Aim Trucking and Rosenau Transport extends a huge heartwarming thank you to all the local businesses and individuals who supported our 2nd Annual 18 Wheels of Christmas Food Drive. Without you, it would not have been the success it was.

On November 25 of 2017, in the parking lot at IGA, the gift of giving truly was witnessed by all who were there, and will be witnessed again by all those in need who will feel just a little more cheer this Christmas with the donations they receive as a result of this 18 Wheels of Christmas community. Near the end of the day we looked inside the truck to see that it was over half full of toys and food! Not to mention we raised over \$1900 in cash donations.

Special Recognition to those kind hearts and generous organizations whose special moments of giving we were able to capture throughout this event: Dale Trembley, Chetwynd Fire Department, BC Ambulance, Peace FM, Tansi Friendship Society and Chetwynd's Emergency Food Closet.
