## PRRD REVEALS DRAFT OF NEW OFFICIAL COMMUNITY PLAN IN CHETWYND

The Peace River Regional District's Planning Services Manager Claire Negrin, and Director Dan Rose were in Chetwynd last week and held an open house at the Rec Centre to propose the Regional District's new West Peace Fringe Area Official Community Plan. Residents were given a chance to take a survey and were asked to weigh in on the ideas proposed by the Regional District.

The PPRD's previous community plan has been in place since 1997 and needed a refresh. The new draft plan emphasizes new and evolving community goals.

The newly designated Settlement areas will permit residential, commercial, institutional, and services/business industrial uses in areas including several subdivisions west of Chetwynd, up Jackfish lake Road and on Wabi Hill. Adding more allowable uses will allow rural communities more opportunities to live, work and play.

The community plan also re-designates several lakeshores in the area from agricultural and limited development, among other classifications to "Parks and Open Space". This will be in areas such as Big Lake, Cameron Lake, Halfmoon Lake, Jackfish Lake, Sundance Lake and Long Lake. This re-designation will help protect these lakes from future development.

The PPRD has developed a new designation plan specifically for the Moberly Lake area that permits residential, commercial and institutional uses throughout Moberly Lake.

If you missed this open house, this and more information is available on their website.

The Peace River Regional District will also be at the Harvest Fest in Chetwynd on September 9th and will be able to further answer any questions regarding the Official Community Plan Draft.

**MAMA BURGER**

Made with chipotle mayo and processed jalapeño cheese.

We like to keep things fresh. So we've spiced up a classic (literally) with chipotle mayo and processed jalapeno cheese. It's a small change but boy, does it ever pack a punch. Try it for a limited time only.

A local charity had never received a donation from the town's banker, so the director made a phone call.

"Our records show you make \$500,000 a year, yet you haven't given a penny to charity," the director began. "Wouldn't you like to help the community?"

The banker replied, "Did your research show that my mother is ill, with extremely expensive medical bills?"

"Um, no," mumbled the director.

"Or that my brother is blind and unemployed? Or that my sister's husband died, leaving her broke with four kids?"

"I ... I ... I had no idea."

"So," said the banker, "if I don't give them any money, why would I give any to you?"
