### MAN FACING 51 CHARGES AFTER FIREARM INCIDENT

Grande Prairie RCMP have one man in custody following a firearm disturbance this weekend.

40 year-old Cory Stephens of Hythe, is now facing over 50 charges after he brandished his weapon on the highway, fled police, and allegedly pointed his weapon at officers. Police reportedly attempted to pull the man over on Friday when he fled, with poor conditions forcing them not to pursue.

Later he was discovered at an oilfield lease where he was arrested.

Among the 51 charges Stephens is facing are: possessing a weapon dangerous to the public, possession of a prohibited firearm, possession of a firearm contrary to probation order, failure to comply with probation order, and possession of stolen property.

Stephens will appear in court on February 14th.

## LIQUOR DISTRIBUTION BRANCH BEGINS

### PREPARATIONS FOR NON-MEDICAL CANNABIS SALES

The BC Liquor Distribution Branch hopes to have the first government-operated non-medical cannabis retail store opened by late summer, and has even started exploring options for online sales. This comes after the provincial government made the announcement that British Columbians will be able to buy non-medical cannabis from both privately run and government-operated retail stores. In a statement, BC Liquor Distribution Branch General Manager and CEO Blain Lawson said that building a retail network of standalone public stores will not happen overnight, as operations and a distribution system will need to be put in place for when the federal government is expected to legalize cannabis later this year. The Liquor Distribution Branch will be the sole wholesale distributor of non-medical cannabis for the province, and will also provide online sales in addition to the standalone, public retail stores it will operate.

## ANDREW WILKINSON ELECTED BC LIBERAL LEADER

This past Saturday, February 3rd, BC's new Liberal Party leader edged out his opponent, former Conservative MP Dianne Watts in a close race, winning on the fifth ballot with 53% of the vote. Approximately 60,000 party members voted online and by phone this past weekend to replace Christy Clark after her resignation in 2017.

With 13 MLA endorsements, Andrew Wilkinson has the most caucus support. At 60 years old and having been in the political world for several years, serving in several cabinet positions, Wilkinson says he is ready for the first day in the legislature against the NDP.

Wilkinson's platform for the election was to strengthen the economy by abolishing the small business income tax for family businesses and in his victory speech mentioned the battle against the electoral reform referendum taking place this fall.

## PUBLIC NOTICE

# Wyndwood Project Pipe Hauling Will Be Taking Place in Your Area

**Please be advised that Enbridge will be using a laydown yard west of the airport in Chetwynd to temporarily store and stage sections of pipeline that will be used in a nearby natural gas pipeline project.**

The sections of pipe will begin to be transported to the laydown yard for storage in October 2017 with hauling to and from the yard continuing until February 2018. The hauling will occur from 7 a.m. to 5 p.m.

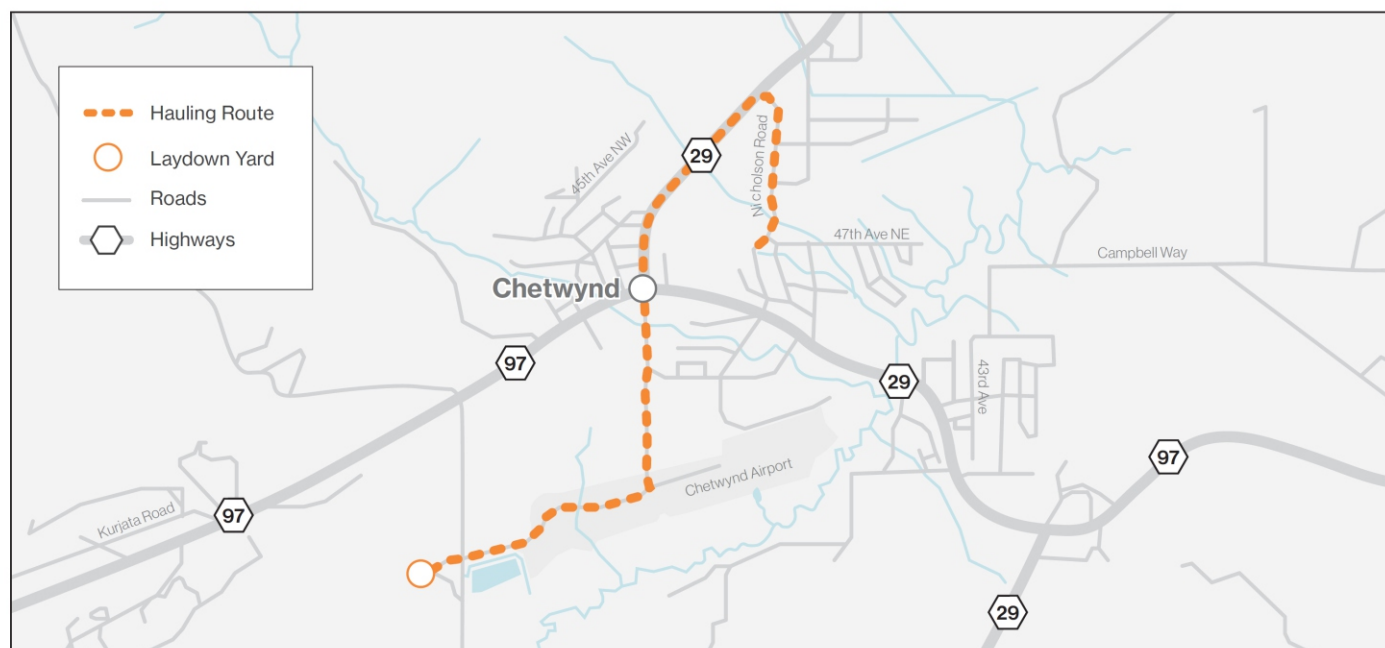

In addition, sections of pipe will be leaving the laydown yard to a nearby construction site. This activity may continue into the first half of 2018.

As a result of this hauling activity, residents can expect increased traffic, which will include large, slow moving vehicles resulting in potential traffic delays.

At Enbridge safety remains our number one priority. We apologize for any disruptions this activity will cause and will be implementing a traffic management plan. This may include the use of signage and other methods to minimize disruptions.

If you have any additional questions or concerns, do not hesitate to contact the following representative:
