What is a word made up of 4 letters, yet is also made up of 3. Sometimes is written with 9 letters, and then with 4. Rarely consists of 6, and never is written with 5.

The word 'what' has 4 letters in it, 'yet' has three, 'sometimes' has 9, 'then' has 4, 'rarely' has 6, and 'never' has 5.

ALBERT FLETT PASSES AWAY AT 100 YEARS OF AGE

It is with great sadness that Peace FM announces the passing of Chetwynd centenarian Albert Flett who passed away yesterday morning at the Chetwynd General Hospital Extended Care Ward.

Albert would have been 101 years old this August 31. Albert was born in the bush outside of Vermilion, Alberta and frequently talked about his life as a pioneer.

Albert was also a distinguished World War Two veteran, serving in the European Theatre over 70 years ago. Albert's 100th Birthday, along with a special tribute was filmed by CHET TV last year. Albert will be missed by his family, friends and will be always remembered by his participation in wide range of community events from rodeos to Remembrance Day services.

CHETWYND FIRE DEPARTMENT EXTINGUISHES BRUSH-FIRE NEAR CROWN SUB

On August 7, at about 7:30 pm, the Chetwynd Fire Department responded to a small brush fire about one kilometer behind the Crown Subdivision near the CN Rail yard.

The fire was about 20 square meters in size and was most likely started by a stray cigarette butt. Fire crews reported that the fire was tenacious and difficult to extinguish, despite the recent wet weather in the area. The Chetwynd Fire Department remind all persons using trails and paths to be extra careful, especially with smoking material.

There is a certain age at which a child looks at you in all earnestness and delivers a long, pleased speech in all the true inflections of spoken English, but with not one recognizable syllable. There is no way you can tell the child that if language had been a melody, he had mastered it and done well, but that since it was in fact a sense, he had botched it utterly. ~Annie Dillard

A few old couples used to get together to talk about life and to have a good time. One day one of the men, Harry, started talking about this fantastic restaurant he went to the other night with his wife.

"Really?"

one of the men said, "What's it called?"

After thinking for a few seconds, Harry said, "What are those good smelling flowers called again?"

"Do you mean a rose?" the first man questioned.

"Yes, that's it!" Harry exclaimed. Looking over at his wife, he said,

"Rose, what's that restaurant we went to the other night?"

HAPPY 65th Birthday CHUBBY CHEEKS!

Love,
all your family

A very wealthy lawyer in a small town is notorious for never giving money to any charity that comes his way. The local animal shelter knows he has a dog and they think that this could be their way into his wallet. They go to his door and he answers, "What do you want?"

One of the ladies replies, "Hello Mr. Smith. We know you are very wealthy and we know you also never give to charity. Wouldn't you enjoy giving back to an organization that helps dogs much like your own?"

The lawyer looks her dead in the eye and replies, "Do you also know that both of my parents are suffering life-threatening illnesses and have medical bills several times their own income?"

The lady, taken back, replies, "Well, no... I thought..."

He interrupts her, "Did you also know my sister's husband left her and their two kids without a penny?"

Still stuttering she replies, "Um... Oh my..."

"And my brother lost his legs in the war," The lawyer continues. At this point the people from the shelter are dumbstruck and aren't saying a word. Then he finishes, "If they don't get a cent, do you expect to?"
