HOROSCOPE

ARIES (Mar. 21-April 20)

You won't be able to keep a secret. You can do well on stage or behind the scenes, the choice is yours. You can make successful moves. Female colleagues may be able to help you get the job done. Your lucky day this week will be Monday.

TAURUS (Apr. 21-May 21)

Take on positions that offer on the job training or pay for courses related to the business. You should get out and enjoy social events where you are likely to meet new potential mates; however, don't over spend. You will feel so much better about yourself if you can control your addictions. You will enjoy getting together with friends.

Your lucky day this week will be Saturday.

GEMINI (May 22-June 21)

Talk to others about your plans. Don't let your partner get away with spending too much of your money. Changes in your home will be positive. There will be hidden matters that you may find disturbing.

Your lucky day this week will be Wednesday.

CANCER (June 22-July 22)

Dazzle them with your intellectual conversation. Deception regarding joint finances or investments will cause upsets between family members. Too much work and no play will not only result in fatigue and frustration but also loneliness, too. Any attractions toward clients will be one sided and must be put right out of your head.

Your lucky day this week will be Wednesday.

LEO (July 23-Aug 22)

Set the ball in motion and be relentless until you complete the project. Not the best day for business trips. Secret love affairs may be enticing; however, you must be prepared for the restraints that will follow. Opportunities will unfold; however, you must be willing to pay the price.

Your lucky day this week will be Sunday.

VIRGO (Aug. 23-Sept. 23)

You will be erratic and quite likely to make personal mistakes. Uncertainties about your living arrangements may be unnerving. You may have some difficulties with someone you live with. You may want to stay in the background this week.

Your lucky day this week will be Monday.

LIBRA (Sept. 24-Oct. 23)

You can bet that someone in a higher position is watching to see how busy you are. You will be in an overly generous mood this week. You can easily impress others with your generous nature. Put your energy into home renovations.

Your lucky day this week will be Friday.

SCORPIO (Oct. 24 - Nov. 22)

Sit back and observe, regardless of how hard that might be. You can expect opposition at work. Don't let your competition be privy to information that could be incriminating. You need to take a good look at all sides of an issue before making a decision. Physical work or exercise should be part of your schedule.

Your lucky day this week will be Friday.

SAGITTARIUS (Nov. 23-Dec. 21)

Responsibilities with respect to older relatives may be a burden. Socializing will be more than just entertaining. A second chance will result in good work. Your compassion will be appreciated more than you can imagine.

Your lucky day this week will be Wednesday.

CAPRICORN (Dec 22.- Jan. 20)

Sports, physical fitness programs, exercise in general will make you feel better and show some pretty quick results. You will profit from home improvement projects and real estate deals. Don't let others saddle you with guilt that isn't warranted. Do not expect too much from others.

Your lucky day this week will be Thursday.

AQUARIUS (Jan. 21-Feb. 19)
