## LITTLE PRAIRIE COLOR RUN

The sun was bright, but the chalk paint was even brighter at Saturday's "5 km Colour Run." The run was organized and put together by Little Prairie Elementary's staff and grade seven students. This is just one of the fundraisers they have held throughout the last few months, all in pursuit of securing funds for the students's trip to Vancouver later this month. There was a total of 65 people that registered for the run, 20 of them being kids. Just before the run, everyone emptied their packages of coloured chalk all over each other and off they set on a 5km journey.

Little Prairie's students and staff have another fundraiser going on right now that is a raffle draw for a beautifully built console table. You can see the table in person and get your raffle tickets at Lakeview Credit Union to help support the Little Prairie's grade 7 trip to Vancouver.

This is not a drill. The Teen Burger is really just \$3.50. What's changed? Nothing except the price. It's still made with the best ingredients—100% pure beef raised without the use of hormones or steroids, bacon that's naturally smoked with pecan wood, melted processed cheese, crisp lettuce and vine-ripened tomatoes. It's just really good food at a really good price, for a limited time.

# >> >> DON TITUS MONTESSORI SCHOOL << <<

Everything you wanted to know, but were afraid to ask....

What is 'Montessori'? Montessori is child-centred education designed to help all children reach their fullest potential - at their own pace. Its real-world approach inspires a love of learning and readies students to study, work and live successfully in the 21st century.

Here are some answers to common follow-up questions...:

- NO, 'Montessori' is not greek for 'hippie' (it is the name of the founder, Ms. Maria Montessori)
- YES, students must follow the BC Curriculum (they learn to learn independently- not slack off!)
- NO, it is not a private school (it is a public school- no tuition, no uniforms, no waitlist!)
- YES, all students K-7 in Chetwynd are welcome (we are a 'school of choice'!),
- YES, students from all backgrounds will thrive in a Montessori environment (and benefit from its teachings through high school and beyond!), and
- YES, parents of Montessori kids will have to repeat these answers alot (but its worth it!)

Make an informed decision about your child's education!  
To learn more, drop by the school, or check out our new website:
