FIRST NATIONS GROUPS CHALLENGE SITE C DAM CONSTRUCTION

Prophet River First Nation and West Moberly First Nations submitted a petition against the construction of Site C dam which started recently. The petition was submitted to the Supreme Court of British Columbia.

BC Hydro, the Minister of Forests, Lands and Natural Resource Operations, the Regional Manager and Regional Water Manager of the Northeast Region, and the Chief Inspector of Mines are all named in the petition.

The First Nations groups orders include quashing permits, and a statement by the First Nations that there was a duty to consult and accommodate the groups in relation to the adverse effects of the permits.

The petition indicates a response must be filed by the respondents within 21 days. *Courtesy of Peace FM*

MAKE SURE YOUR PET ISN'T A DRIVING DISTRACTION

(NC) Most people wouldn't think twice about grabbing their pet and taking them for a ride in the car to run some errands or to visit friends and family. However, with an increased focus on distracted driving and overall driving safety, there is growing concern about pet safety in the car.

"Many people overlook the potential distraction that a pet can be, especially if they are loose in your vehicle," says Wayne Ross, an insurance expert with Aviva Canada. "They can distract you from the road, impair your vision, and even attempt to climb on you while driving. Properly securing your pet will ensure you are both safe."

Goossens offers the following tips when you go for a ride:

- Don't let your pets run loose in the car.
- Don't let your dog hang its head outside the window.
- Secure your pets using a pet-friendly seat belt or safety harness.
- Crate small pets at all times.
- Avoid letting your pets sit on your lap when driving.
- Never leave your animal in the car unattended.
- Consider installing a dog barrier in your vehicle if you have a hatchback, van or SUV.

Properly securing your pets in the car and ensuring they are safe before you hit the road will mean one less distraction. More detailed information is available from your insurance broker or at AvivaCanada.com.

We think that diamonds are very important, gold is very important, all these minerals are very important. We call them precious minerals, but they are all forms of the soil. WEEKLY HOROSCOPE

ARIES (Mar. 21-April 20) You will have the discipline and fortitude to accomplish what you want this week. Get out and get active. Put your energy into moneymaking ventures. Competitive games will be your forte. Your lucky day this week will be Monday.

TAURUS (Apr. 21-May 21) Be sure not to burn any bridges. Try to get away with your mate. You are ahead of your time, and trying to stay in one spot could be asking too much. Disruptions may set you back, but you're strong, and in the end the choices you make will be favorable. Your lucky day this week will be Sunday.

GEMINI (May 22-June 21) You can enjoy your involvement in organizations that make charitable contributions. Don't bother trying to make someone you live with see your point of view. Your ability to put a deal together will surprise others. Your communication skills are at an all-time high. Your lucky day this week will be Sunday.

CANCER (June 22-July 22) Your lover may disappoint you in such a way that estrangement will follow. Don't start a dispute unless you're prepared to accept irreversible results. Empty promises and a lack of cash may put a damper on your plans. Don't gamble unless you can afford to lose. Your lucky day this week will be Thursday.

LEO (July 23-Aug 22) You'll be able to discuss your ambitions with your mate. Travel if it's needed to start the ball rolling. They won't get away with it. Authority figures may be less than accommodating if you have done something deceitful. Your lucky day this week will be Sunday.

VIRGO (Aug. 23-Sept. 23) You may be able to get some good advice about your personal problems. Partnerships may be strained if one of you has been erratic and hard to deal with. Real estate investments will be profit able. You need to concentrate on solving existing problems. Your lucky day this week will be Friday.

LIBRA (Sept. 24 -Oct. 23) Get out and have some fun. Travel will be exciting. You will be highly sensitive to comments made by your lover. Children will be of major concern if you haven't kept the lines of communication open. Your lucky day this week will be Monday.

SCORPIO (Oct. 24 - Nov. 22) Mishaps due to preoccupation will be upsetting. Watch your tendency to live for the day and to spend too much on entertainment and children; it could set you back. You may end up being blamed if anything goes wrong. Get involved in a competitive sport that will bring the challenges you thrive on. Your lucky day this week will be Tuesday.

SAGITTARIUS (Nov. 23 -Dec. 21) It's time you let your true feelings out. Put your energy into your work or moneymaking ventures rather than into your emotional life this week. Children may be less than honest with you. You could lose a good friend because of it. Your lucky day this week will be Saturday.

CAPRICORN (Dec 22.- Jan. 20) Residential moves will be favorable, and larger quarters the most probable direction. Do not get involved in joint financial ventures. Groups you belong to will not only enjoy your company, but they will also share your interests. Spend some quality time with your lover. Your lucky day this week will be Monday.

AQUARIUS (Jan. 21 -Feb. 19) Don't expect the whole family to be overjoyed. Children or friends may try to talk you into lending them money. You may get upset with peers or relatives. Be careful of disclosing personal information. Your lucky day this week will be Thursday.

PISCES (Feb. 20-Mar. 20) Your need to obtain additional details will lead you into strange topics of conversation. Involvement in groups will be favorable. Business partnerships will prove lucrative. Opportunities will come through behind the scenes activities. Upheavals may occupy your day. Your lucky day this week will be Sunday.
