## HYDRO COMPLETES BENNETT DAM UPGRADES, NDP LAUNCHES NEW ENERGY PLAN

Five generating units at the WAC Bennett Dam's GM Shrum Generating Station have been renovated at a cost of \$272 million, about \$100 million under budget.

The Crown Corporation says these refurbishments make the units more efficient, and allow the facility to use the same amount of water as before to generate more power. Energy & Mines Minister Bill Bennett said these upgrades will power an additional 16,000 homes. With the completion of this most recent project, BC Hydro has now made significant upgrades to eight of the facility's 10 units.

Meanwhile NDP leader John Horgan announced the launch of that party's PowerBC plan, which they say is a complete revamp of the province's energy policy.

The program proposes to create jobs in every community in the province, while also scuppering the Site C project in favour of other upgrades across BC Hydro's existing infrastructure, including the installation of the sixth and final generator at the Revelstoke Dam. They say the addition of Unit 6 would add 500 MW of energy capacity at a cost of \$420 million, compared to the reported \$8.3 billion cost of Site C. The NDP continued, saying that many hydroelectric dams across BC are operating '50's-era machinery.'

Horgan says that the plan would free BC Hydro to pursue clean energy potential in wind, solar and other emerging technologies. The plan also includes a push for local procurement and local hiring. Energy Minister Bill Bennett criticized the plan, saying the NDP has offered nothing new after two years of constructing the plan, and that the plan to upgrade the Revelstoke Dam is already in the works.

The NDP had remained ambiguous on their stance with regard to Site C until Motion 19 to continue Site C construction was debated by the provincial legislature in early October, when NDP

MLA's nearly unanimously voted against the motion.

*When Mozart was composing at the end of the eighteenth century, the city of Vienna was so quiet that fire alarms could be given verbally, by a shouting watchman mounted on top of St. Stefan's Cathedral. In twentieth-century society, the noise level is such that it keeps knocking our bodies out of tune and out of their natural rhythms. This ever-increasing assault of sound upon our ears, minds, and bodies adds to the stress load of civilized beings trying to live in a highly complex environment. ~Steven Halpern*

## TUMBLER RIDGE GLOBAL GEOPARK JOINS ALL GLOBAL GEOPARKS IN BECOMING A UNESCO SITE

The Tumbler Ridge Global Geopark Society (TRGGS) is excited to share the news issued by UNESCO announcing that all 120 existing Global Geoparks, including the TRGGS, will now officially become UNESCO sites. The announcements come after the 195 Member States of UNESCO voted positively to create the UNESCO Global Geoparks Network, supporting the initiative to promote national geological heritage initiatives. UNESCO Global Geoparks have now joined World Heritage sites and Biosphere Reserves as an official UNESCO program under this formalization of the relationship between UNESCO and the Global Geoparks. For Canada, this means that both Tumbler Ridge Global Geopark and the Stonehammer Geopark will now be recognized as UNESCO Global Geopark sites.

*Submitted by Sarah Waters, Manager, Tumbler Ridge Global Geopark*

*A guy shopping in a supermarket noticed a little old lady following him around. If he stopped, she stopped. Furthermore, she kept staring at him.*

*She finally overtook him at the checkout, and she turned to him and said,*

*"I hope I haven't made you feel ill at ease; it's just that you look so much like my late son."*

*He answered, "That's okay."*

*"I know it's silly, but if you'd call out 'Goodbye, Mom' as I leave the store, it would make me feel so happy."*

*She then went through the checkout ... and as she was on her way out of the store, the man called out,*

*"Goodbye, Mother." The little old lady waved and smiled back at him.*

*Pleased that he had brought a little sunshine into someone's day, he went to pay for his groceries.*

*"That comes to \$121.85," said the clerk.*

*"How come so much? I only bought 5 items." The clerk replied,*

*"Yeah, but your Mother said you'd pay for her things, too."*

### What's Your Name, Again?

Two elderly ladies had been friends for many decades. Over the years they had shared all kinds of activities and adventures. Lately, their activities had been limited to playing cards a few times a week. One day when playing cards, one looked at the other and said, "Now don't get mad at me. I know we've been friends a long time, but I just can't think of your name. I've thought and thought, but I can't remember it. Please tell me what your name is."

Her friend glared at her. For at least three minutes she just stared and glared. Finally she said,  
 "How soon do you need to know?"

## WEEKLY HOROSCOPE

**ARIES** (Mar. 21- April 20) It's time to reconnect with some of the people you used to know. Emotional partnerships may develop through projects you initiate. You could pick up valuable knowledge through conversations with experienced individuals. Visit those less fortunate than yourself; be sure to help them with their personal problems. Your lucky day this week will be Thursday.

**TAURUS** (Apr. 21- May 21) You can make excellent purchases this week. Try to include friends and relatives in your activities. Disharmony in your relationship may cause minor ailments. Don't count your chickens before they hatch. Your lucky day this week will be Tuesday.

**GEMINI** (May 22-June 21) Confronting a situation will only result in indignation and misunderstandings. You can get into weight loss programs or go out and change your image with a new look in clothing, hairstyle, and attitude. This could be the cause of a dispute that may result in estrangement. Anger could lead to problems. Your lucky day this week will be Tuesday.

**CANCER** (June 22-July 22) You may be able to get some good advice about your personal problems. Try not to let relatives or friends cause any friction with your mate. Be careful disclosing information. Family members may want you at home, when your heart is telling you to spend time with someone you recently met. Your lucky day this week will be Monday.

**LEO** (July 23-Aug 22) You will learn easily if you put forth an effort. Don't blow situations out of proportion or you could find that others will misinterpret what really happened. You may be emotional and quick to judge others. You are best to get out of the house this week. Your lucky day this week will be Wednesday.

**VIRGO** (Aug. 23 -Sept. 23) Things may not be as they sound. Look before you leap. You can meet potential new mates if you socialize with friends. Good day for romance. Your lucky day this week will be Wednesday.

**LIBRA** (Sept. 24 -Oct. 23) Be sure to question any detail that you feel could leave you in a precarious position at a later date. Rely on yourself and you will look good to superiors. Be sure to question any detail that you feel could leave you in a precarious position at a later date. Partnerships could prove to be lucrative. Your lucky day this week will be Saturday.

**SCORPIO** (Oct. 24 - Nov. 22) Dazzle them with your intellectual conversation. Consider a conservative investment that will stay solid when everything else goes sour. Offer good conversation and a nice soothing lunch. Be sure not to reveal private information to the wrong individuals. Your lucky day this week will be Monday.

**SAGITTARIUS** (Nov. 23 -Dec. 21) Don't be too eager to start any debates. Do not be surprised if your partner doesn't understand your needs. You are in a high cycle where travel, education, and creative endeavors are concerned. Strong willpower will come to your rescue. Your lucky day this week will be Thursday.

**CAPRICORN** (Dec 22.- Jan. 20) You may want to take a trip; however, before you do, make sure that your car is serviced properly. A lot has changed and so have you. Do not get involved in joint financial ventures. Older relatives may be a burden. Your lucky day this week will be Tuesday.

**AQUARIUS** (Jan. 21 -Feb. 19) You will attract potential lovers, but be sure that they're unattached. Sign up for courses that will bring you more skills. Money problems will be difficult to deal with if you have a partner. Travel and social activity will bring about interesting talks, not to mention contacts. Your lucky day this week will be Friday.

**PISCES** (Feb. 20-Mar. 20) Unexpected events may upset your routine. Avoid being overly opinionated or you will alienate friends. Underhandedness regarding legal matters or contracts must be counteracted. You might just as well let others do their own thing. Your lucky day this week will be Thursday.
