CHETWYND COUNCIL MEETING - AUGUST 15

On Monday, August 15, 2016, the regular council meeting was held for the month of August at the Municipal Hall in Chetwynd. After the call to order and the adoption of previous minutes, the meeting moved ahead to a presentation by Tonia Richter from the Chetwynd Chamber of Commerce.

Tonia presented the council with the Chamber of Commerce report and information on the progress of "Small Town Love," which, in short, is a website that promotes and showcases a lot of the businesses in Chetwynd. With 34 live links to the businesses websites, they had 130 new members sign up in 2015-2016, but unfortunately lost 15 members in 2014 due to businesses closing down. Tonia also went over the events the chamber has attended as well as upcoming chamber events and programs. Her last topic of discussion was the 2016 Chamber Excellence Awards Gala and Dinner, set to be October 22nd, 2016. There are 10 categories to be awarded, including: Business of the Year, Business Beautification, Non-profit Organization, and many more. Their vision is a semi-formal cocktail reception, a great dinner, awesome entertainment and a perfect chance to do some networking in recognition of Chetwynd's businesses and their many great achievements.

In the Community Improvements Committee report, the previous talk of a public outdoor skating rink at Spirit Park has become a bigger topic than previously discussed. With the destruction left from the flood in June, unfortunately the permanent skating rink will be held off until 2017, but will still be used as a temporary rink for this winter. Next year the plans are to build not only a concrete base but side boards and an outbuilding for lacing up your skates. The plan is that it could be used year round, not just for winter. There has also been talk of new tennis courts, as the court by Don Titus elementary has seen better days. The hope is that they will be constructed beside the Rec Centre. In the old Visitor Centre area, the district hopes to build something that will pretty it up, like a gazebo, pergola or archway, but at this point nothing is set in stone.

In other business, the District received an email from Minister of Community, Sport and Cultural Development dated July 22nd, 2016 stating that Chetwynd has received a "Small Community Grant," which is an unconditional grant for municipalities to assist them in providing basic services. Grant amounts are based on a formula that factors in a base amount, population and assessment values. These grants generally apply to municipalities with populations up to 19,000.

ROYAL LEPAGE GARAGE SALE

The staff at the Royal LePage office held a garage sale back in the spring and had several items donated. On Wednesday, August 17,

they presented a cheque of \$1,536.15 to Stefan Pavlis, the Executive Director of the South Peace Community Resource Society. The funds will go towards helping the Women's Shelter here in Chetwynd, who appreciates any donations it receives.

The big cheque was presented by Julia Nelson, Alma Walters, Norma Tower, Myra Grodziuk, and Jennifer Curzon. These ladies, as well as the rest of the staff at Royal LePage, did a fantastic job getting the donations and setting up the garage sale.

They also want to thank the many people who donated their stuff to be sold: West Moberly First Nations, Valerie Nontell, Greg and Leanne Sheremeta, and "The Great Library Garage Sale," who donated all their extra furniture after they had their garage sale.

Royal LePage plans to hold a garage sale next spring as well, so watch for ads if you would like to help by donating new or used items.

CHETWYND COUNCIL MEETING - AUGUST 15

Continued from front page

The District received another email from Westcoast Energy Inc. doing business as Spectra Energy regarding the Jackfish Lake Expansion Project, which is set to begin this month. Spectra Energy received approval of the project from the Nation Energy Board on July 15th, 2016 to start construction. The project involves the expansion of Spectra Energy's existing natural gas transmission pipelines. They are adding two loop segments of 36-inch pipeline along portions of the line that runs from Taylor to Chetwynd.

In news from the last council meeting on July 18th, there was a request for funding for the 2015-2016 winter avalanche awareness project brought to council by Ryan Shelly of Summit Avalanche Consulting. The motion was carried, meaning his team will receive the necessary funding to move forward with the project for this winter.

*Coffee Talk Express
is looking for
Community Heroes

Here in Chetwynd, we have a lot of amazing people to celebrate. From fantastic youth leaders and helpful neighbours, to coaches, teachers, councillors, and many more people that make our community a better place. Throughout the summer I intend to expose these people for what they really are... "Heroes of Chetwynd."

Quite often people associate heroes as professional athletes or celebrities. In reality, heroes live among us performing small acts that win our admiration. A hero can be described in many words: compassionate, selfless, caring and thoughtful are just a few that come to mind.

I'm looking for people I can feature in our paper.

- the person who shovelled your driveway.
- someone who brings you soup when you're sick.
- someone who visits the elderly.
- a person whose smile brightens your day.
- or an entire staff at a local business.

I need your help to shine the spotlight on the wonderful folks that make our town such a great place to live. Email short stories, a few paragraphs or give me a call. This special someone who is worthy of recognition will be featured in our paper. Be sure to let me know so they can get what's coming to them... a big thank you for making Chetwynd a better place to live.

FORT ST. JOHN IN NEED OF DONATIONS

The Woman's Resource Society, Salvation Army and Friendship Centre have all come together in Fort St. John to show just how much residents rely on their services. 689 pairs of shoes were placed on 100th and 100th to demonstrate the number of people using services in just ONE week. The organizations are still open to taking non-perishable food items and clothing donations on a regular basis so please donate what and when you can.

WEEKLY HOROSCOPES

ARIES (Mar. 21-April 20)

Confronting a situation will only result in indignation and misunderstandings. It's time to get yourself back on track. Try a barbecue or a day at the beach. Plans to make physical improvements may lead to psychological changes, too. Your lucky day this week will be Wednesday.

TAURUS (Apr. 21-May 21)

Go out with friends and avoid the situation on the home front. It might be best to work on your own; if possible, do your job out of your home this week. You can make rewarding connections through the organized groups you associate with. You need to spend some time with individuals who have more experience than you. Your lucky day this week will be Monday.

GEMINI (May 22-June 21)

There will be hidden matters that you may find disturbing. You can expect to have a problem with your lover. Don't put off the things that they have asked you to do. This day was meant for love. Make creative changes to your residence. Enjoy a quiet dinner for two and discuss some of the plans you have for the future. Your lucky day this week will be Saturday.

CANCER (June 22-July 22)

You need to do more things that you enjoy. Finish projects that have been hanging over your head. Don't overspend or give too freely to others. You have a tendency to think that no one else will do things properly. Your lucky day this week will be Friday.

LEO (July 23-Aug 22)

You may be able to get some good advice about your personal problems. You should avoid getting involved in the personal problems of colleagues. Lay your cards on the table regarding your personal direction. Your emotions are fluctuating, so be careful not to say things you'll regret. Your lucky day this week will be Monday.

VIRGO (Aug. 23-Sept. 23)

You can write beautiful love letters this week. Be willing to listen, but don't be fooled. You may be emotionally unstable if you let someone you care about get away with verbal abuse. Arguments may flare up in your home. Your lucky day this week will be Sunday.

LIBRA (Sept. 24-Oct. 23)

If you take on too much, you will find your self in martyrdom. Changes involving your domestic scene may be unpleasant. You will have to control the way you feel. You may find that your quick wit and charm will help you in obtaining allies. Your lucky day this week will be Sunday.

SCORPIO (Oct. 24-Nov. 22)

Rid yourself of that which is old and no longer of use. Your leadership qualities will come in handy. Don't avoid your true feelings. Set your goals and stick to your guns. Your lucky day this week will be Wednesday.

SAGITTARIUS (Nov. 23-Dec. 21)

You can meet someone who will become very dear to you if you get out and socialize. You need to take a good look at all sides of an issue before making a decision. If you can't get ahead in the company you're with, perhaps it's time to move on. Do not overspend on entertainment. Your lucky day this week will be Thursday.

CAPRICORN (Dec 22.-Jan. 20)

Travel should be on your agenda. Be sure to find out all you can before you commit to anything. Although it does look promising, be careful not to overextend yourself or you will lose in the long run. Sudden changes at home will affect family members more than you anticipated. Your lucky day this week will be Thursday.

AQUARIUS (Jan. 21-Feb. 19)

Involvement in financial schemes will be followed by losses. You should not be concerned with coworkers who insist on spreading rumors. You are best to keep your money tied up in a safe and secure place. Your mate may not have been honest with you. Your lucky day this week will be Friday.

PISCES (Feb. 20-Mar. 20)

You may get upset with peers or relatives. Get involved in jobs that require creative input. You can win points with both peers and superiors. Don't expect new acquaintances to be completely honest about themselves. You may find a rare antique this week. Your lucky day this week will be Monday.

CHETWYND SENIORS TEA A BOILING SUCCESS

The Senior's Tea took place the afternoon of Wednesday August 17th and was a great hit. Several attended the get together at the Chetwynd Heritage Museum. With tea, coffee, sandwiches and treats, everyone seemed to enjoy their afternoon. The museum even brought out the "fine china," which were all very delicate tea cups and saucers from many different sets, and were absolutely beautiful. Smiles and laughs were had by all who attended. Even though it is called a "Senior's Tea," everyone is welcome to

come. The day was organized and put on by the "Lunch and Learn" program, brought to you by the District of Chetwynd age friendly grant, through Union of BC Municipalities (UBCM).
