GRAND OPENING OF KIN PARK'S NEW PLAYGROUND

On Thursday, August 16th, the District of Chetwynd held a grand opening for the new playground structure installed at Chetwynd's Kin Park. The park is located on 49th ave NE, near the Crown Subdivision. Lots of families showed up to the neighbourhood block party to test out the new playground equipment and have a burger and a piece of cake.

Mayor Merlin Nichols, and Councillors Laura Weisgerber and Rochelle Galbraith helped with the ribbon cutting for the official opening.

For the last few years Chetwynd's Mayor and Council have been setting aside \$50,000 yearly to replace, add and improve the parks in Chetwynd with new equipment.

This playground's equipment was installed by local TBK Contracting. There are still plans for a few more playground announcements, so keep your eyes open for another neighbourhood block party to attend one of these great family and community friendly functions put

on by the District of Chetwynd.

NOTICE of

DEVELOPMENT VARIANCE PERMIT APPLICATION

Pursuant to Section 499 of the *Local Government Act* RSBC 2015, the Council of the District of Chetwynd gives notice that it will be receiving an application at its September 4, 2018 Regular Council meeting from Peter and Heather Moreau requesting approval for development Variance Permit to vary the Single Family Residential - R1 zoning (minimum principal building width and setback requirements), specifically:

a) Decreasing to the maximum principal structure width requirement from 7.0 m (23 ft) to 6.096 m (20') wide in the case of a proposed mobile home to be located at 4104 52A Place;

b) Decrease the minimum setback of principal building from the front and rear parcel line from 7.0 m (23 ft) to 6 m (19 ft) and from 9 m (30 ft) to 3.5 m (11.5 ft.)

Property owners who believe interest in their property may be effected by the proposed development variance permit may view the application and all other written information pertaining to this matter in detail at the Chetwynd District Centre located at 5400 Hospital Road, between the hours of 8:00 a.m. to 4:30 p.m. on September 4, 2018.

Any inquiries should be referred to Carol Newsom, Corporate Officer, Telephone: (250) 401-4100, Fax: (250) 401-4101, email: d-chet@gochetwynd.com or by writing the District of Chetwynd, P.O. Box 357, Chetwynd, BC V0C 1J0

Dated this 15th day of August, 2018.

FEELING SNACKY? BOOST HEALTH AND ENERGY WITH NUTRITIOUS OPTIONS

Smart snack choices deliver steady energy, healthful nutrition and boost enjoyment. When the busy fall months result in a life on the go, competing demands for time and attention make snacking more important.

Keeping healthy snacks such as grapes on hand makes getting it all done just a little easier. Fresh grapes are first and foremost delicious, but they also have several benefits:

- Portable. Just rinse, dry and put into a container or bag, or eat them right away.
- Shareable. Cut into enough smaller clusters for everyone to enjoy.
- No fuss. No need to peel, core or remove seeds.
- Refreshing. Natural juiciness helps satisfy thirst.

The name Wednesday derives from two mighty but distinct gods. The Old English word for Wednesday indicates that the day was named for the Germanic god Woden. In Romance languages, the name is derived from the Roman god Mercury. (For example, Wednesday is mercredi in French and miercuri in Romanian.) Woden (also known as Odin) and Mercury have been associated since Scandinavian and Roman cultures crossed paths. Under Woden's supervision, the earth and sky were created from the dead body of a giant named Ymir. Woden also created the first man and woman from an ash tree and an alder. As if fashioning the human race wasn't enough, Woden also established the laws of the universe. (The wacky history of Tuesday makes the origin of "Wednesday" seem boring.)

A SPICY FACT ABOUT CINNAMON

In Ancient Egypt, cinnamon was a highly prized ingredient that was at one point valued more than gold, much in the way saffron is today. It was used in an array of different processes from food to drink to even an embalming agent.

A boy asks his father, "Dad, are bugs good to eat?" "That's disgusting. Don't talk about things like that over dinner," the dad replies. After dinner the father asks, "Now, son, what did you want to ask me?" "Oh, nothing," the boy says. "There was a bug in your soup, but now it's gone."

Hunting Season is Here, Get Your Bows and Rifles

For many, hunting is more than just a pastime, it's a way of life and part of our Canadian heritage. Many Canadians practice hunting as a sporting activity, others for sustenance. This time of year, Chetwynd and surrounding areas experience a lot of tourists, from all over the world, coming to experience our area's incredible wildlife. Before heading out this hunting season always be sure to check local hunting regulations for updates and changes.

Hunting tends to evoke a lot of opinions, some believing that hunters must hate nature to kill animals. In reality, most hunters support conservational causes by helping control the over population of certain animals. Overpopulation is a serious problem in North America and can cause widespread issues with habitats and food sources, and even inhibit some species from reaching full genetic potential.

A few great tips to help you make the most out of this hunting season- move slowly, stay downwind, cover your scent, and of course always follow proper safety precautions when carrying a fire arm or bow.
