Chubby Chicken BURGER

\$3

Price plus tax.

There are a lot of reasons to come try our Chubby Chicken Burger. Like how it's a lightly-breaded 100% seasoned chicken breast, topped with fresh lettuce on a toasted bun. Or that our chicken is raised without the use of antibiotics. Or how, for a limited time, it's only \$3. As far as reasons go, we'd say those are some pretty tasty ones.

KEEP YOUR HAUNTED HOME SAFE FOR HALLOWEEN

(NC) Eerie sounds, spooky lights and jack-o'-lanterns aglow—extra efforts at Halloween will keep visitors coming back for both tricks and treats. However, to keep the fun going, it's important to plan your home's scary set-up with safety in mind.

Decorations for special events, most often involving candles (like those found in jack-o'-lanterns), account for an average of 800 home fires in North America, causing nearly \$4 million in direct property damage every year.

To keep your house from being haunted with potential insurance woes, Wayne Ross, an insurance and claims expert for Aviva Canada, offers some Halloween preparation tips for preventing fires and other insurance claims:

- **Practice fire safety:** When setting up spooky electrical decorations and lighting, ensure that electrical outlets are not overloaded. Consider battery or solar powered lighting for your pumpkins.

- **Make sure your walkways are safe:** Although darkness may set the mood, keep walkways well lit and obstruction-free to reduce the risk of injury and to allow many goblins to walk through simultaneously.

- **Check your insurance coverage:** While homeowner policies generally will cover you and your property on Halloween, it is a good idea to contact your insurance broker to ensure that you have the right amount of coverage—especially with hundreds of small visitors to your home.

"It is the responsibility of homeowners to make sure their property is safe for visitors," states Ross. "By taking some precautions, you can join in the celebrations and enjoy a safe night of fun."

In Flanders fields
the poppies blow
Between the crosses,
row on row,
That mark our place;
and in the sky
The Larks, still bravely
singing, fly
Scarce heard amid the
guns below...

2015, the 100th year of John McCrae's *In Flanders Fields*.
The red 'Remembrance Poppy' has become a familiar emblem of
Remembrance Day. These poppies bloomed across some of the worst
battlefields of Flanders in World War 1, their brilliant red color an appropriate
symbol for the blood spilled in the war. November 11th is approaching and
the annual Poppy Campaign will be under way in a few short weeks, raising
money to aid any veterans that may need assistance in some way.

Orders have gone out asking that you purchase a wreath for this worthy cause.
Poppies will be on sale by the end of October.

When you see them please purchase and wear one to Remember,
and to show that their sacrifices have not been forgotten. *Lest We Forget.*

WEEKLY HOROSCOPE

ARIES (Mar. 21- April 20) Groups and organizations that indulge in social events to raise money will be conducive to meeting new and exciting lovers. Your pilgrimage may end up being fruitless. Empty promises and a lack of cash may put a damper on your plans. Your lucky day this week will be Thursday.

TAURUS (Apr. 21- May 21) Don't upset elders in your family who don't understand your present situation. Your determination may make you a little overbearing when dealing with others. Entertainment could cost you more than you expect. Your lucky day this week will be Thursday.

GEMINI (May 22-June 21) Stop telling others about your problems. Responsibilities with respect to older relatives may be a burden. Cutbacks at work will be a cause for worry. Problems on the home front might be a little disconcerting. Your lucky day this week will be Sunday.

CANCER (June 22-July 22) You haven't been totally honest with yourself and it's time to review your motives. Take whatever time you can to get to know each other all over again. You can make money but not through harebrained schemes or gambling. Your lucky day this week will be Friday.

LEO (July 23-Aug 22) Drastic changes regarding your personal attitude are evident. Sudden changes of heart may cause disruptions in your domestic scene. Don't be too confident that co-workers are on your side. Put some energy into getting back into shape. Listen to reason. Your lucky day this week will be Thursday.

VIRGO (Aug. 23 -Sept. 23) You can't lose this week unless you get involved in gossip or overwork to the point of exhaustion. Tie up your personal papers or push to have legal settlements completed. Your lucky day this week will be Thursday.

LIBRA (Sept. 24 -Oct. 23) You will meet new friends and enjoy a multitude of new activities. Trips should be your choice. You will be quite excitable this week. You may cause a fuss if you come on too strongly in public. Your lucky day this week will be Tuesday.

SCORPIO (Oct. 24 - Nov. 22) Take a look at investment opportunities. Focus on using your creative abilities in other ways. Spend time by yourself to avoid any conflicts with family members. This week is not the day to try to corner people by giving them ultimatums. Your lucky day this week will be Sunday.

SAGITTARIUS (Nov. 23 -Dec. 21) Use your charm, but don't sign or agree to anything. Your greatest enjoyment will come through social activities and pleasure trips. Look into intellectual and physical games that will test your abilities. You will be able to make financial gains. Your lucky day this week will be Wednesday.

CAPRICORN (Dec 22.- Jan. 20) You might have a problem juggling your time. Take care of your personal needs. Risks will not be profitable. You can continue to make gains if you call a few people who can help you close an important deal. Your lucky day this week will be Sunday.

AQUARIUS (Jan. 21 -Feb. 19) Do not let your mate annoy you; patience will be the key. Someone you live with will be quite unreasonable this week. Empty promises and a lack of cash may put a damper on your plans. You will have to be sure not to burn the candle at both ends. Your lucky day this week will be Wednesday.

PISCES (Feb. 20-Mar. 20) If you can't trust someone, question the connection. You can look around for the right place and enlist some of your friends to help you move. Don't divulge secret information. Get out and about. Your lucky day this week will be Saturday.

(Cora May Preble)

I'm not afraid on Halloween
Because my Mother said
I should not fear those funny
things
But laugh at them instead.

For orange faces in the night
That stare with eyes so wide,
Are only pumpkins
on a porch
With candlelight
inside.

And there are no such
things as ghosts...
Those figures shining white,
Are only children just like me
Wrapped up in sheets so tight.

I do not fear a single thing
On Halloween you see,
Because I know they really are
Not what they seem to be.

For ghosts and goblins,
witches, spooks,
And other scary folks
We hear about on Halloween
Are really only jokes.

*Three things in human life are important.
The first is to be kind. The second is to be
kind. And the third is to be kind.*

PROVINCE GIVES BEATTON RIVER LANDSLIDE UPDATE

Following a landslide on Monday night due to heavy rain, the Peace River Regional District issued a warning for residents to stay away from the Beatton River.

Greig Bethel of the Ministry of Forests, Lands, and Natural Resource Operations confirmed that his ministry, as well as members from the Ministry of Transportation and Infrastructure, and the BC Oil and Gas Commission inspected the site on Tuesday, and says it is difficult to forecast when the slide will become inactive, as more slipping could occur any time.

According to the Ministry, flooding was minimal and impact to resource users and residents appears to be minimal overall. He adds that an immediately impacted landowner at the slide area has erected an electric fence adjacent to the site, to keep livestock safely away.

The Province is echoing the PRRD in asking people to stay away from the Beatton River at this time – from the slide area all the way down to the meeting of the Beatton and Peace rivers.

Save for your
child's future

Join us on **November 4 at 6:00pm**
 in the **Chetwynd Public Library**
 for an information session on **RESP's**
& the new \$1200 BC
Government Grant

On Wednesday November 4th, Lake View Credit Union will be hosting two open Information Sessions on Registered Education Savings Programs (RESP) and the new, *one-time* \$1,200 British Columbia Training and Education Savings Grant (BCTES) in conjunction with the Credit Unions of BC.

This one-time \$1200 grant is for children born in 2007 or later. Families have three years, or until the day before the child's ninth birthday, to submit an application for the grant.

"No additional contributions are required to access the \$1,200 grant. The one-time grant of \$1,200 per eligible child will be deposited into an RESP upon approval of the application, making the task of saving for a child's education, and starting early, a simple process" says Glen Travers, Regional Branch Manager.

Parents can go into any Lake View Credit Union branch (Chetwynd, Tumbler Ridge or Dawson Creek) to open their child's RESP to obtain the BCTES. The additional \$1200 grant is available at any BC Credit Union.

The session in Chetwynd will be held at the Chetwynd Public Library, Nov 4th, beginning at 6. pm. The Tumbler Ridge session will be held at the branch, starting at 7 pm.

Everyone is welcome.
