The Nation Mourns the Tragic Loss of 15 Lives

On Friday, April 6th, Saskatchewan's junior hockey team, The Humboldt Broncos, were involved in a fatal crash on a rural Saskatchewan road that ended up taking the lives of 15 people, with another 14 seriously injured. There were 28 people, including the driver, on board the bus at the time of the collision.

All over Canada, people participated in the nation-wide vigil and moment of silence on Saturday for the lives lost, and the family and friends who were involved will continue to deal with the aftermath of this tragic accident.

The RCMP are still investigating the crash but confirmed the semi-trailer was travelling westbound when it collided with the bus, who had the right of way, travelling northbound. The Broncos were on their way to game 5 of Saskatchewan's Junior Hockey League's semifinals in Nipawin.

A fund for the players and personnel has been able to accumulate to Canada's most successful GoFundMe campaign to date and has raised over 5.2 Million dollars as of Monday morning.

On Thursday, April 12, wear your sport jersey in support of the Humboldt Broncos, a tribute to the victims and their families.

Officials warn that Northeast BC has a slightly higher risk of wildfires this summer

Canadian Forest Service officials say that while Northeast BC has a slightly elevated wildfire risk this summer, there isn't much of a chance of the Peace Region seeing what it experienced two years ago, nor is there a big chance of the Cariboo seeing a repeat of what it saw last summer. Fire analyst Richard Carr says that due to Northeast BC's higher than average amount of snow this year, coupled with the below seasonal temperatures, is an indication that forests and grounds in the region will take some time to dry out during spring. Carr went on to say that a contributing factor to the Peace's below normal fire activity last summer was the higher than usual amount of rainfall, but he warns there could be an elevated fire risk by June if the Peace doesn't experience much rain in spring and early summer. Last year, over 1 million hectares of forests burned in the province, setting a new provincial record as the worst ever wildfire season in sixty years.

Tom and Anna are both 60 years old and have been married for 40 years. One day they go for a walk and all of a sudden a good fairy stands in front of them and says, "You've been married for so long and you're so cute together, I'll grant you a wish each."
The woman is beside herself with joy and wishes for a trip to Thailand. Poof – she's holding two tickets to Thailand and a five star hotel voucher for two.
The man says, "Wow, that's one chance in a lifetime! I'm sorry, darling, but I wish I had a wife that's 30 years younger than me."
"Are you sure?" asks the fairy.
"Yes!" replies Tom without hesitation.
Poof once more – and he's 90.

Thank you

To all who purchased 50-50 tickets at the Shriners/Mosaic booth at the Trade Show last weekend. All tickets have been claimed.
